In the Matter of Union Electric Company)
d/b/a Ameren Missouri's Tariffs to Decrease)
Its Revenues for Electric Service) **File No. ER-2019-0335**

ORDER SETTING TIME FOR RESPONSES

Issue Date: May 4, 2020

Effective Date: May 4, 2020

On May 4, 2020, Union Electric Company d/b/a Ameren Missouri and the Office of the Public Counsel filed a joint motion to modify the Second Non-Unanimous Stipulation and Agreement, which was filed on March 9, 2020 and approved by the Commission in its March 18, 2020 Order Approving Stipulation and Agreements. The stipulation and agreement, which was not opposed, provided for certain payments by Ameren Missouri to consumer action agencies to be used for “low-income weatherization or for assistance to low-income customers for such customers’ participation in Ameren Missouri’s energy efficiency programs.”¹ Due to the COVID-19 state and national emergency, Ameren Missouri and Public Counsel agreed that \$3.5 million of the funds donated by Ameren Missouri and originally intended to be applied toward low-income weatherization projects, would be better used to provide low-income energy assistance to Ameren Missouri’s electric customers needing assistance with paying their electric bills.

The Commission will set a time for the other parties to respond to the joint motion.

THE COMMISSION ORDERS THAT:

1. Any response to the Joint Motion to Modify Requirements of Second Stipulation and Agreement shall be filed no later than May 14, 2020.

¹ Second Stipulation and Agreement, (filed March 9, 2020), para. 3.b.

2. This order is effective when issued.
