TO CHANGE FUEL ADJUSTMENT CLAUSE RATES**

Issue Date: January 3, 2014

Effective Date: January 27, 2014

On November 27, 2013, Union Electric Company d/b/a Ameren Missouri (“Ameren”) filed a tariff to adjust the company’s rates pursuant to its Fuel Adjustment Clause (FAC). In accordance with Ameren’s FAC, the proposed rate schedules are designed to recover from customers 95 percent of the company’s net cost increases or decreases. The requested adjustment would decrease a typical residential customer’s bill by approximately \$1.13 per month.

The Commission’s Staff filed a recommendation regarding Ameren’s tariff on December 20, 2013. Staff verified that Ameren’s actual fuel and purchased power costs match the fuel and purchased power costs included in the company’s calculated rates set in the submitted tariffs. Staff advises the Commission to approve the tariff submitted by Ameren to become effective on its January 27, 2014 effective date.

More than ten days have passed since Staff filed its recommendation, and no party has filed a response to that recommendation.¹

Based on the Direct Testimony of Erik Wenberg, submitted by Ameren along with its tariff, as well as the uncontested recommendation of Staff, the Commission will approve Ameren's proposed rate schedule
