Service Connections - Link Up Missouri Service Connection Program

NOV 19 1997

A. General Regulations

MO. PUBLIC SERVICE COMMISSION

The Link up Missouri Service Connection Program is a Federal Lifeline assistance program applicable to eligible residential subscribers, as defined below, and designed to promote subscribership to the telephone network among low income residential households.

1. Service Connection Charges, as set forth in this tariff*, for initial installation of the main residential service access line, will be discounted at a rate of 50 percent, or \$30.00, whichever is less. These reduced charges shall be assessed only for a single residential telephone line per eligible household at the principle place of residence. +
2. The customer may defer payment on up to \$200 of the above charges without interest for a period not to exceed one year. The deferred charges do not include any permissible security deposits required. Payments shall be equally paid over a twelve month period. +
3. A qualifying low-income customer may choose with 1 or 2, or both 1 and 2 as described above.
4. Link Up assistance is available for a second or subsequent time only for a principal place of residence with an address different from the residence address where assistance was previously provided.
5. The premises at which the residence service is requested must be the applicant's principal place of residence.
6. There is only one telephone line serving the residence premises. The residence premises household (dwelling unit) shall consist of that portion of an individual house or building or one flat or apartment occupied by a single family or individuals functioning as one domestic establishment.
7. Link Up will not be furnished on a Foreign Exchange service.

* The discount established herein does not apply to other charges that may be required at the initiation of service such as security deposit, contributions in aid of construction, customer advances, etc.

A. General Regulations (Cont'd)

**MISSOURI
Public Service Commission**

10. Installation Charges and the appropriate NID material charge apply when a premises visit is made for the sole purpose of installing a customer requested NID.
11. The Company shall not be liable for shortages of coins collected and deposited at the subscriber's equipment. The limit of the Company's liability for end user fraud of whatever nature occurring at or in association with the subscriber's equipment shall be governed by provisions of this Tariff and rule or regulations of the Missouri Public Service Commission. In case of conflict between the tariff provisions and Commission rules and regulations, the rule or regulations shall prevail.
12. Off-Premise Extensions are not permitted.
13. Local messages from Payphones are charged at no higher than twenty-five (25) cents for each call. Upon implementation of the FCC rules preempting state regulations of payphone rates, this subsection will not apply.
14. The Multiline Business Subscriber Line Charge, found in the interstate access tariff, is applicable to all payphone Instrument and CO Implemented coin lines.

B. Responsibility of the Customer

1. The Customer for the purposes of this tariff is defined as the Payphone Service Provider.
2. The customer shall be responsible for the installation, operation and maintenance of the customer-provided instrument, plus all ancillary equipment, such as booths, shelves, lighting, directories, etc., used in connection with this service. The customer is responsible for complying with the requirements set forth in the American With Disabilities Act of 1990.

The customer-provided instrument must be registered in compliance with Part 68 of the FCC's Registration Program. In addition, the customer must comply with the Missouri Public Service Commission's Rules and Regulations regarding the use of customer-provided pay telephones.

8. Deposits and Guarantees of Payment for Residential Customers (+)

A. The Company may require a deposit or guarantee prior to providing new service or as a condition of continued service. The Company may require a deposit or guarantee as a condition of continued service if:

- 1. The customer has delinquent charges in two (2) out of the last twelve (12) billing periods; or
- 2. The customer has had service disconnected for nonpayment of a delinquent charge or failed to post a required deposit or guarantee.

B. In lieu of a deposit, Company may accept a written guarantee. The guarantee shall not exceed the amount of a cash deposit that the Company could request under this section.

C. No deposit, guarantee, additional deposit nor additional guarantee will be required by the Company because of race, sex, creed, national origin, marital status, age, number of dependents, source of income, disability or geographical area of residence.

D. Terms of Deposits:

- 1. Deposits shall not exceed the estimated charges for two (2) months' service based on the average bill during the preceding twelve (12) months, or, in the case of new applicants for service, the average monthly bill for new subscribers within a customer class.
- 2. The deposit shall bear interest at a rate which is equal to one percent (1%) above the prime lending rate as published in the *Wall Street Journal*. This rate shall be adjusted annually on December 1 using the prime lending rate, as published in the *Wall Street Journal* on the last business day of September of each year, plus one percent (1%). The interest shall be credited annually upon the account of the customer or paid upon the return of the deposit, whichever occurs first. Interest shall not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer. (+)

11. Payment for Services and Facilities

A. The customer shall pay for services and facilities monthly in advance. Failure to receive a bill does not relieve the customer of the responsibility for payment in accordance with the provisions set forth herein. All customers shall have twenty-one (21) days from date bill is rendered to make payment.

1. In the event that a check or draft tendered by a customer is returned by the bank, a return check charge in the amount of the bank's charge (i.e., a pass through) and a \$10.00 administrative fee will apply. The fee will be assessed when a check or instrument issued by a Customer is returned without payment for any reason whatsoever, unless the return is bank error, in which case documentary evidence is required to waive the charge. In addition, the Customer may be required to replace the returned check with a payment in cash or equivalent to cash, such as a cashier's check, certified check or money order.

B. The regular restoral of service charge will be made for reconnecting services which have been discontinued for non-payment of charges due. No allowance will be made for loss of service during the period service is disconnected for non-payment if payment is made and service reconnected before the completion of an order to terminate the service. Subsequent to the completion of an order to terminate service, it may at the option of the Telephone Company be re-established only on the basis of a new application.

21. Plant Extension Construction Deposit Requirements Commission

General - On all new plant extensions either within or outside the Initial Rate Area and within the Exchange Area, the Company may require an advance revenue deposit in a sum not to exceed three years exchange revenue plus applicable Federal and State Taxes on such revenue. The amount so deposited shall be based on the rates for the class and type of service in effect at the time the deposit is made and shall be adjusted at the time of any subsequent change in either telephone or tax rates for the unexpired portion of said deposit. In the event the service is discontinued by the original depositor prior to the expiration of the three year term, no refund will be made, though upon proper application, the Company will transfer the unexpired service term to a new subscriber at the same location.

22. Party-Line Service - Use of

A. Applications for party-line service are accepted by the Company with the understanding that each customer will so use the service as not to interfere with an equitable proportionate use of the service by the other customers on the same line. When the duration or number of messages sent or received by a party-line customer is so great as to prevent an equitable proportionate use of the line by other customers on the line, the Company shall have the right to require the customer to contract for a higher grade of service, or to discontinue the service of the customer in question. The Company reserves the right to limit the continuous use of a party-line for a local message to five minutes.
