**Re: Tariff Schedule to Adjust FAC Rate of  
KCP&L Greater Missouri Operations Company**

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission (“Commission”), KCP&L Greater Missouri Operations Company (“KCP&L-GMO” or the “Company”) hereby submits proposed rate schedules to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”). The proposed rate schedules bear an issue date of December 29, 2017, and an effective date of March 1, 2018.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum  
Supervisor - Regulatory Affairs  
Kansas City Power & Light Company

FAC net includable costs for the 21st accumulation period, or six-month period covering June 2017 through November 2017, have increased by approximately \$9.2 million for KCP&L-GMO above the base costs included in rates. These costs are offset slightly by the true-up filing for the 18<sup>th</sup> accumulation period, or six-month accumulation period from December 2015 through May 2016, that is being made in conjunction with this tariff filing.

In accordance with the FAC for KCP&L-GMO approved by the Commission, the proposed rate schedules are designed to recover 95 percent of those net cost increases. The proposed residential FAC charge will be \$0.00126 per kWh. Based on usage of 1,000 kWh per month, the customer will see a monthly charge of \$1.26. This represents an increase of \$0.80 to a GMO residential customer's monthly bill above the prior FAC.

Direct Testimony and supporting schedules of Lisa Starkebaum are submitted concurrently herewith along with schedules containing the information required by 4 C.S.R. 240-3.161(7), including all workpapers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2016-0156.

Respectfully submitted,

*/s/ Roger W. Steiner*
