TARIFF FORMAT

A. Sheet Numbering - Sheet numbers appear in the upper right corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the PSCM. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc. the PSCM follows in its tariff approval process, the most current sheet number on file with the Commission is not always the tariff sheet in effect. Consult the Check Sheet for the sheet currently in effect.

C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

D. Check Sheets - When a tariff filing is made with the PSCM, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some sheets.) The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on file with the PSCM.

SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Trinsic Communications, Inc.**

Trinsic's services and facilities are furnished for communications originating at specified points within the State of Missouri under terms of this tariff.

Trinsic installs, operates, and maintains the communications services provided hereunder in accordance with the terms and conditions set forth under this tariff. Trinsic may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to the Trinsic network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's services and facilities are available twenty-four (24) hours per day, seven days (7) per week.

2.2 Limitations

- 2.2.1** Service is offered subject to the availability of the necessary facilities and equipment, or both facilities and equipment, and subject to the provisions of this tariff.
- 2.2.2** Trinsic reserves the right to discontinue or limit service when necessitated by conditions beyond its control, or when the Customer is using service in violation of provisions of this tariff, or in violation of the law.
- 2.2.3** The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.

SECTION 2 - RULES AND REGULATIONS, CONT'D.

2.2 Limitations, Cont'd.

- 2.2.4** All facilities provided under this tariff are directly or indirectly controlled by Trinsic and the Customer may not transfer or assign the use of service or facilities without the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.5** Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions of service.
- 2.2.6** Trinsic reserves the right to discontinue the offering of service or deny an application for service if a change in regulation materially and negatively impacts the financial viability of the service in the best business judgment of the Company.
- 2.2.7** The Company does not process local emergency calls, "911" or operator calls. All calls of this nature will be processed by the presubscribed carrier of the telephone from where the call originates, which in all instances is not Trinsic.

2.3 Use

Services provided under this tariff may be used for any lawful purpose for which the service is technically suited.

SECTION 2 - RULES AND REGULATIONS, CONT'D.

2.4 Liabilities of the Company

- 2.4.1** Trinsic's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in transmission which occur in the course of furnishing service or facilities, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the faults in transmission occur.
- 2.4.2** The Company shall not be liable for claim or loss, expense or damage (including indirect, special or consequential damage), for any interruption, delay, error, omission, or defect in any service, facility or transmission provided under this tariff, if caused by any person or entity other than the Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, civil disturbance, or act of government, or by any other cause beyond the Company's direct control.
- 2.4.3** The Company shall not be liable for, and shall be fully indemnified and held harmless by Customer against any claim or loss, expense, or damage (including indirect, special or consequential damage) for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, tradename or service mark, unfair competition, interference with or misappropriation or violation of any contract, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data, information, or other content revealed to, transmitted, or used by the Company under this tariff; or for any act or omission of the Customer; or for any personal injury or death of any person caused directly or indirectly by the installation, maintenance, location, condition, operation, failure, presence, use or removal of equipment or wiring provided by the Company, if not directly caused by negligence of the Company.
- 2.4.4** The Company shall not be liable for any defacement of or damages to the premises of a Customer resulting from the furnishing of service which is not the direct result of the Company's negligence.

SECTION 2 - RULES AND REGULATIONS, CONT'D.**2.5 Deposits**

The Company does not collect deposits from its Customers.

2.6 Advance Payments

The Company does not collect advance payments from its Customers.

2.7 Taxes

All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates for services paid for in arrears.

2.8 Miscellaneous Rates and Charges

The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or quasi-governmental authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Primary Interexchange Carrier Charge, and compensation to payphone service providers for the use of their payphones to access the Company's service. The Company will submit these changes to the Missouri Public Service Commission for prior approval.

2.9 Interconnection

Service furnished by Trinsic may be connected with the services or facilities of other carriers. Such service or facilities, if used, are provided under the terms, rates and conditions of the other carrier. The Customer is responsible for all charges billed by other carriers for use in connection with Trinsic's service. Any special interface equipment or facilities necessary to achieve compatibility between carriers is the responsibility of the Customer.

SECTION 2 - RULES AND REGULATIONS, CONT'D.**2.12 Payment for Service**

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer for transmission of calls via the Company. This includes payment for calls or services originated at the Customer's number(s) or incurred at the specific request of the Customer. The Customer agrees to pay to the Company any cost(s) incurred as a result of any delegation of authority resulting in the use of his or her communications equipment and/or network services which result in the placement of calls via the Company. The Customer agrees to pay the Company or its authorized agent any and all cost(s) incurred as a result of the use of the service arrangement, including calls which the Customer did not individually authorize.

All charges due by the Customer are payable to the Company or any agency duly authorized to receive such payments within 30 days of bill issuance. The billing agency may be the Company, a local exchange telephone company, or other billing service. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies having jurisdiction. Any objections to billed charges must be promptly reported to the Company or its billing agent. Adjustments to Customers' bills shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.

2.13 Cancellation by Customer

Customers may cancel service verbally or in writing at any time. The Company shall hold the Customer responsible for payment of all charges, including fixed fees, which accrue up to the cancellation date. Charges may be avoided by dialing another carrier's access code. In the event the Customer executes a term commitment agreement with the Company, the Customer must cancel service and terminate the agreement in accordance with the agreement terms.

SECTION 2 - RULES AND REGULATIONS, CONT'D.**2.14 Refusal or Discontinuance by Company**

2.14.1 Trinsic may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given fifteen (15) days notice to comply with any rule or remedy any deficiency:

- A.** For failure of the Customer to pay a bill for service when it is due, provided that suspension or termination of service shall not be made without five (5) days written notice to the Customer, except in extreme cases.
- B.** For failure of the Customer to meet the Company's deposit and credit requirements.
- C.** For failure of the Customer to make proper application for service.
- D.** For Customer's violation of any of the Company's rules on file with the Commission, provided five (5) days' written notice is given before termination.
- E.** For failure of the Customer to provide the Company reasonable access to its equipment and property.
- F.** For Customer's breach of the contract for service between the Company and the Customer.
- G.** For a failure of the Customer to furnish such service, equipment, and/or rights-of-way necessary to serve said Customer as shall have been specified by the Company as a condition of obtaining service.
- H.** When necessary for the Company to comply with any order or request of any governmental authority having jurisdiction.

SECTION 2 - RULES AND REGULATIONS, CONT'D.**2.14 Refusal or Discontinuance by Company, Cont'd.**

2.14.2 Trinsic may refuse or discontinue service without notice to the Customer for any of the following reasons:

- A. In the event of tampering with the Company's equipment.
- B. In the event of a condition determined to be hazardous to the Customer, to other Customers of the Company, to the Company's equipment, the public, or to employees of the Company.
- C. In the event of a Customer's use of equipment in such a manner as to adversely affect the Company's equipment or the Company's service to others.
- D. In the event of fraudulent use of the service.

2.15 Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment or communications systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4 herein. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Company's terminal. Interruptions caused by Customer-provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via local exchange company access.

3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between serving wire centers associated with the originating and terminating points of the call.

The serving wire centers of a call are determined by the area codes and exchanges of the origination and destination points.

The distance between the Wire Center of the Customer's equipment and that of the destination point is calculated by using the "V" and "H" coordinates found in BellCore's V&H Tape and NECA FCC Tariff No. 4.

- Step 1 Obtain the "V" and "H" coordinates for the Wire Centers serving the Customer and the destination point.
- Step 2 Obtain the difference between the "V" coordinates of each of the Wire Centers. Obtain the Difference between the "H" coordinates.
- Step 3 Square the differences obtained in Step 2.
- Step 4 Add the squares of the "V" difference and "H" difference obtained in Step 3.
- Step 5 Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.
- Step 6 Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the Wire Centers.

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

SECTION 3 - DESCRIPTION OF SERVICE, CONT'D

3.3 Timing of Calls

Billing for calls placed over the network is based in part on the duration of the call.

3.3.1 Timing for all calls begins when the called party answers the call (i.e. when two way communications are established.) Answer detection is based on standard industry answer detection methods, including hardware and software answer detection.

3.3.2 Chargeable time for all calls ends when one of the parties disconnects from the call.

3.3.3 Minimum call duration and additional increments for billing are specified in the description of each service.

3.3.4 There is no billing applied for incomplete calls.

SECTION 3 - DESCRIPTION OF SERVICE, CONT'D**3.6 Directory Assistance**

Directory Assistance is available to Customers of Trinsic. A Directory Assistance charge applies to each call to the Directory Assistance Bureau. Up to two requests may be made on each call to Directory Assistance. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number.

A business or residence main telephone exchange line may be registered for exemption from Directory Assistance charges where one of the users of the line is considered to be legally blind, visually or physically handicapped, or where the user's handicap prevents the dialing of a telephone in a conventional manner or permits only the dialing of "0". Requests for exemption must be accompanied by certification of the handicap. Acceptable certifications include those signed by a physician, issued by a state agency qualified to certify such handicaps or pre-existing certifications establishing visual or physical inability to use a directory such as those which qualify the handicapped person for an income tax exemption or social security benefits on the basis of blindness or physical disability or for use of the facilities of an agency for the blind.

SECTION 3 - DESCRIPTION OF SERVICE, CONT'D**3.9 Operator Assisted Service**

Trinsic's Operator Assisted Service is available for use by the Company's presubscribed customers. The Company's Operator Assisted Service allows the Customer to select from the special call handling or billing arrangements specified below. Call rates and applicable service charges will be assessed based on the call type (i.e., calling/credit card, collect, third party billed, or person-to-person). Rates are based on mileage, call duration and method of billing. Calls are billed in one minute increments, with additional per call charges reflecting the level of operator assistance and billing method. Operator service charges are not discounted for time of day.

The types of calls handled are as follows:

Customer Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized Calling Card or Commercial Credit Card. The Customer must dial the destination telephone number where the capability exists for the Customer to do so. A separate rate applies in the event operator assistance is requested for entering the Customer's card number for billing purposes.

Operator Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized telephone Calling Card or Commercial Credit Card and the operator dials the destination telephone number at the request of the Customer.

Operator Station - These charges apply in addition to long distance usage charges for non-Person-to-Person calls placed using the assistance of a Company operator and billed Collect, to a Third Party or via some method other than a Calling Card or Commercial Credit Card.

Person-to-Person - This charge applies in addition to long distance usage charges for calls placed with the assistance of a Company operator to a particular party at the destination number. This charge applies regardless of billing method, including but not limited to billing to a Calling Card, Commercial Credit Card, Collect or to a Third Party. Charges do not apply unless the specified party or an acceptable substitute is available.

SECTION 3 - DESCRIPTION OF SERVICE, CONT'D**3.10 Public Telephone Surcharge**

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all intrastate calls that originate from any pay telephone used to access Company provided services. This surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with service, applies for the use of the instrument used to access Company provided service and is unrelated to the service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (e.g., using the "#" symbol). The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.
