FILING IN COMPLIANCE WITH
ORDER GRANTING CERTIFICATE OF CONVENIENCE AND NECESSITY

COMES NOW GridLiance High Plains LLC, f/k/a South Central MCN LLC (hereinafter GridLiance HP), by and through counsel, and makes this filing in compliance with the Missouri Public Service Commission's December 19, 2018, Order Granting Certificate of Convenience and Necessity.

1. On October 25, 2018, GridLiance HP filed an application for a certificate of convenience and necessity (CCN) to construct, install, own and maintain the equipment necessary to reconductor an approximately 1.25 mile-long 69 kilovolt (kV) electric transmission line located in Christian and Greene Counties that extends from the Nixa Downtown to Nixa Espy substations.

2. On December 19, 2018, the Missouri Public Service Commission issued an Order Granting Certificate of Convenience and Necessity granting the requested CCN subject to the condition that GridLiance HP file with the Commission plans and specifications for the construction project prior to exercising the granted CCN. See, Ordered ¶ 4.

3. Attached hereto are the plans and specifications for the complete construction project concerning the network upgrade project to be undertaken in connection with the Southwest Power Pool's Notification to Construct for which the CCN has been granted (Appendix A). These plans and

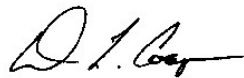

specifications have been identified as Confidential in accordance with Commission Rule 4 CSR 240-2.135(2)(A)7, as this information is designated to be Critical Energy/Electric Infrastructure Information

4. Construction on the project is anticipated to commence on or about September 1, 2019.

Respectfully submitted,
