Re: Tariff Filing to Change an Infrastructure System Replacement Surcharge
Case No. GO-2023-0203

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 9, Fourth Revised Sheet No. 12, which is applicable to both Spire Missouri's East and West operating units of Spire Missouri, Inc.

This substitute tariff sheet still has an issue date of December 27, 2022 and effective date of January 26, 2023. The Company inadvertently switched the transportation rate class surcharges in its initial filing. This substitute tariff sheet corrects that error.

This substitute tariff sheet is being filed to change the Infrastructure System Replacement Surcharge ("ISRS") rates in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott Weitzel
