
RESTORATION OF SERVICE

16.1 RESTORATION OF SUSPENDED SERVICE

- 16.1.1 The following Service and Equipment Charge will apply for restoring service after its temporary suspension by the Telephone Company, as covered in Section 22 of this Tariff:

	Current Charge	
	Residence	Business
Service and Equipment Charge	\$35.00 (CR)	\$25.00

In addition to the Service and Equipment Charge, the customer will be required to pay all charges due, including the charges for the period of denial.

- 16.1.2 This Service and Equipment Charge applies only after the suspension of service and not after its discontinuance; that is, it does not apply after the completion of a disconnection order. After service is discontinued by the completion of a disconnection order, service can be restored only upon the execution of a new contract, in which case the Service and Equipment Charges as specified in the Local Exchange Tariff for a new installation, will apply.
