ORDER CANCELING CERTIFICATES OF SERVICE AUTHORITY
AND TARIFFS

Issue Date: April 5, 2006

Effective Date: April 15, 2006

On March 21, 2006, the Missouri Public Service Commission issued an order authorizing the transfer of assets from South Jefferson County Utility Company to the Summer Set Property Owners Association. In its order, the Commission directed the parties to notify the Commission upon the completion of the transfer so that the Commission might cancel the certificates of convenience and necessity of South Jefferson County Utility Company. On April 3, 2006, the parties notified the Commission that the transfer was complete.

The Commission takes official notice of its records, which show that South Jefferson was granted certificates of convenience and necessity for both water and sewer on April 3, 1974, in Case No. 17787. Because South Jefferson has sold its assets to the Summer Set Property Owners Association and will no longer provide water and sewer service in Missouri, the Commission will cancel the company's certificates. Because there remains no further action by the Commission in this matter, the Commission will close this case.

IT IS ORDERED THAT:

1. The certificate of convenience and necessity to provide water service, granted to South Jefferson County Utility Company, is canceled.
2. The certificate of convenience and necessity to provide sewer service, granted to South Jefferson County Utility Company, is canceled.
3. South Jefferson County Utility Company's tariffs, P.S.C. MO No. 3 for water service (Tariff File No. JW-2002-0078) and P.S.C. MO No. 3 for sewer service (Tariff File No. JS-2002-0079), are canceled.
4. This order shall become effective on April 15, 2006.
5. This case may be closed on April 16, 2006.
