RE: Tariff Revision SUPPLEMENTAL – PSC MO No. 1 – ST Long Distance, Inc. d/b/a
Consolidated Communications Long Distance

Dear Secretary:

On April 27, ST Long Distance, Inc. d/b/a Consolidated Communications Long Distance submitted revised tariff pages for the purpose detailed below. These pages had an incorrect issue and effective date. Enclosed for filing, please find the following corrected pages with a proposed effective date of May 29, 2018.

Section 5, Third Revised Sheet 49
Section 5, First Revised Sheet 49.1
Section 5, Third Revised Sheet 50

The purpose of this filing is to add a 3-year term for EPAK II for a total bundle price of \$25.00 per month. Upon adding this term, we removed expired Unlimited Dial Tone and Unlimited Centrex term rates from the tariff for services ordered prior to December 16, 2015 for either the 1 or 2 year term. We also eliminated the qualifying requirement for 25 or fewer lines for this bundle, and we removed the 11 line maximum for unlimited calling. This filing includes updates to the intraLATA component. For the local component, please see April 27 filing by FairPoint Communications Missouri, Inc. for PSC MO No. 1. The interLATA portion is universal across the Consolidated Communications footprint and has not been changed.

Please contact Beth Westman at 207.535.4249 or beth.westman@consolidated.com with any questions or concerns regarding this filing.
