ORDER GRANTING REQUEST FOR EXTENSION OF TIME

Issue Date: October 31, 2022

Effective Date: October 31, 2022

On July 7, 2022,¹ NextEra Energy Transmission Southwest, LLC (NEET Southwest) filed an application (Application) for a certificate of convenience and necessity (CCN) regarding a 345 kV transmission line. At the parties' request, the Commission set a procedural schedule leading to an evidentiary hearing scheduled for later this week, November 4-5.

On October 25, NEET Southwest filed its Motion to Suspend Procedural Schedule, indicating the parties were in the process of drafting a settlement agreement. The Commission granted the request and set October 31 as the deadline for the settlement agreement or a status report.

On October 31, NEET Southwest requested a continuation of the suspension of the procedural schedule, and a one week extension until November 7 to file the settlement agreement. The Commission finds the request for extension reasonable and will grant it.

¹ All dates are to 2022.

However, the Commission finds the request to continue suspension of the procedural schedule unreasonable as the schedule provides for an evidentiary hearing that will need to be rescheduled, regardless of being suspended or cancelled. Thus, the Commission will cancel the remaining procedural schedule. Should the parties fail to reach an agreement settling all issues, they may file a new proposed procedural schedule.

THE COMMISSION ORDERS THAT:

1. NEET Southwest's requested extension of time is granted. The parties shall file a settlement agreement or a status report on or before November 7, 2022.
2. The remainder of the procedural schedule is cancelled.
3. This order shall be effective when issued.
