.59 Integrated Calling Plan RZA-1 Service¹

Service Commission

Integrated Calling Plan RZA-1 Service is available to Customers who enroll in Integrated Calling Plan RZA Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCImetro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Integrated Calling Plan RZA Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCImetro Access Transmission Tariff No. 1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will receive unlimited interstate and intrastate (interLATA and intraLATA) dial 1 usage.

T
T

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Local Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling Card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per-minute rate of \$0.35 and a per-call surcharge of \$0.75 applies.

The Company reserves the right to discontinue offering the service in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

¹Effective August 24, 2002, Integrated Calling Plan RZA-1 Service will no longer be available to new customers.

.61 Integrated Calling Plan RZB-1 Service¹

Service Commission

Integrated Calling Plan RZB-1 Service is available to Customers who enroll in Integrated Calling Plan RZB Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCImetro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Residential RZB Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCImetro Access Tariff No.1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will be charged a per-minute rate of \$0.07 for intrastate (interLATA and intraLATA) dial "1" usage. Qualified customers who are unable to use a telephone directory because of physical disabilities will receive a per-minute rate of \$0.05 for interLATA and intraLATA dial "1" calls only.

Member-to-Member Calling: Customers subscribing to this service may make dial "1" calls to other residential customers of local exchange service provided by MCImetro Access Transmission Service, Inc. The customer making the call will not be charged for the call. N

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Tariff No.1. All Intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling Card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per-minute rate of \$0.35 and a per-call surcharge of \$0.75 applies.

¹Effective August 24, 2002, Integrated Calling Plan RZB-1 Service will no longer be available to new customers. N

3. METERED USE SERVICE (Cont'd)

.62 Option EEE (Basic Calling Plan I)¹

Basic Calling Plan I is an outbound and inbound service designed primarily for residential customers. Basic Calling Plan I includes a block of time structure with a flat rate structure for Dial 1 calls made outside the block-of-time allotment, and a flat rate structure for calling card and Personal 800 service. No term plan options will apply to this service. All intrastate Dial-1 calls and calling card calls will have 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent. A monthly charge will apply to this service.

.621 Monthly Account Fees: Customers enrolled in this plan will be charged a \$12.95 monthly recurring charge.

.622 Access Methods and Charges:

.6221 Dial-1 Access: Basic Calling Plan I can be used for Dial-1 access. Customers will receive an allotment of up to 200 minutes per monthly period that may be used for interstate and intrastate (interLATA and intraLATA) dial-1 usage. Basic Calling Plan I customers will be charged the following rates for each minute of usage over the allotment. Customers may place these calls 24 hours a day and 7 days a week.

InterLATA & IntraLATA \$0.07

.6222 Calling Card: Basic Calling Plan I Calling Card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Customers will be charged a per minute rate of \$0.20 for all time periods for all intrastate calling card calls which terminate to the customers billed ANI. No per call surcharge will apply to these calls. Basic Calling Plan I customers will be charged a per minute rate of \$0.55 and a \$0.99 per call surcharge for all other interLATA and intraLATA calling card calls.

.6223 MCI Personal 800 Number

MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in <http://www.mci.com/service>. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.6521 Dial-1 Access: Basic Calling Plan L can be used for Dial-1 access. Customers will receive the following rates for all intrastate (interLATA and intraLATA) dial-1 usage. Customers may place these calls 24 hours a day and 7 days a week.

InterLATA & IntraLATA Dial-1 per minute charge: \$0.07

.6522 Calling Card: Basic Calling Plan L Calling Card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Customers will be charged a per minute rate of \$0.20 for all time periods for all intrastate calling card calls which terminate to the customers billed ANI. No per call surcharge will apply to these calls. Basic Calling Plan K customers will be charged a per minute rate of \$0.55 and a \$0.99 per call surcharge for all other interLATA and intraLATA calling card calls.

.6523 MCI Personal 800 Number

MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in <http://www.mci.com/service>. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.70 Business B1 Integrated Plan

Service Commission

Business B1 is an outbound and inbound multipoint service for single or multiple location customers. Customers may access the MCI network using Dial "1" or calling card origination and/or inbound service using Toll Free origination. No term plan options will apply to this service. Customers who subscribe to this service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion local exchange service offered in MCImetro Access Transmission Services, LLC Tariff No. 1 and the companion service offered in <http://www.mci.com/service>. Calls are subject to a 30-second minimum initial period and are then rounded to the next higher 6-second increment, except for operator assisted calls which are calculated on a 60-second minimum duration basis with additional 60-second increments. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion Local Service. Customers may select one offering as described below. Additionally, customers will be charged the long distance rates as specified in the companion long distance service as set forth in <http://www.mci.com/service> and local exchange rates as described in MCImetro Access Transmission Services, LLC Tariff No. 1.

Customers may elect one of the Offerings available under this service:

Offering A:

For a monthly recurring charge as specified in this tariff, Customers will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" and toll free usage. Customers will also receive local exchange service as described in Offering A of Business B1 service as described in MCImetro Access Transmission Services, LLC, Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.

Offering B:

For a monthly recurring charge as specified in this tariff, Customers will receive an allotment of up to 200 minutes per month of interstate and intrastate (interLATA and intraLATA) dial "1" described in companion long distance service in <http://www.mci.com/service> and this plan. Customers having domestic service dial "1" in excess of this allotment will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" usage. For customers enrolling in this plan after the first day of a billing cycle, this allotment will be pro-rated for that billing cycle. When a call under this service begins prior to the completion of customer's allotment of 200 minutes and ends after completion of the allotment, the rate in effect for the portion of the call after the achievement of the allotment will be \$0.069 per minute. Customers will also receive local exchange service as described in Offering B of Business B1 service as described in MCImetro Access Transmission Services, LLC Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.

MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in <http://www.mci.com/service>. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.73 Integrated RLC Service (Cont'd)

The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.

This service is for use by residential customers. The Company reserves the right to adjust a customer's service upon appropriate customer notification. If it is determined that usage is not consistent with residential voice applications, customer's service may be assessed a \$50 monthly recurring data usage charge or disconnected.¹

Monthly Recurring Charge:

Zone 1	\$41.99
Zone 2	\$50.99
Zone 4	\$43.99

Termination:

The following provisions will apply to customers who continue to maintain a Company account and who do not elect to subscribe to other service offerings under this tariff:

- 1) For existing customers who disconnect only from Residential RLC Service under MCI Access Transmission Missouri P.S.C Tariff No. 1, the companion residential service offering under <http://www.mci.com/service>, Residential RLC Service under MCI Access Transmission Missouri P.S.C Tariff No. 1, and Integrated Calling Plan RLC service under this tariff will terminate. Customers will then be automatically re-subscribed to the service offering under this tariff and <http://www.mci.com/service> to which the customer was subscribed at the time of subscription to this plan.

¹This service is for voice use by residential customers. The Company reserves the right to adjust a customer's service upon appropriate customer notification. Usage for non-voice applications (e.g. dial-up internet service, fax service, etc.) is limited to 2000 minutes per month. If it is determined that non-voice usage exceeds these limits, the Company will notify the customers that the customer's usage exceeds the 2,000 minute allowance and give the customer one to two months to comply with the monthly allowance. If the customer remains out of compliance with the data usage limits, the Company may disconnect the customer's service after providing appropriate notice. The customer may continue to receive the service if he or she agrees to pay a \$50.00 monthly recurring data usage charge. The Company will abide by the Commission's notification of disconnect policies prior to disconnecting a customer in the event the customer refused to pay the \$50 monthly recurring data/internet usage charge.

.74 Integrated RLC-1 Service

Integrated Calling Plan RLC-1 Service is available to Customers who enroll in Integrated Calling Plan RZA Service, Integrated Calling Plan RZB Service, or Integrated Calling Plan RLC Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCI metro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI MCI Telecommunications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Integrated Calling Plan RLA Service, Integrated Calling Plan RLB Service, or Integrated Calling Plan RLC Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCI metro Access Transmission Service Inc, Missouri Tariff No. 1

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data surcharge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

For the purposes of this plan, the following definitions apply: new customers are customers, who, at the time of subscription to this plan, are not receiving service under MCI metro Access Transmission Service Inc, Missouri Tariff No. 1 and <http://www.mci.com/service>; and existing customers are customers, who, at the time of subscription to this plan, are receiving service under MCI metro Access Transmission Service Inc, Missouri Tariff No. 1 and <http://www.mci.com/service>.

New customers will receive Basic Calling Plan P service as described in this tariff. Customer will also receive the comparable interstate service described in <http://www.mci.com/service> for the above where applicable. All terms and conditions of any of these services selected by the customer, including applicable monthly recurring charges, will apply and will be in addition to Integrated RLC-1 Service as described herein. Existing customers will continue to receive the long distance service to which they were subscribed at the time of subscription to this plan.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCI metro Access Transmission Service Inc, Missouri Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Customers who subscribe to this voice service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and must subscribe to companion local service as offered in MCImetro Access Transmission Service Missouri P.S.C Tariff No. 1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion interstate service or to companion intrastate Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will be charged a per-minute rate of \$0.07 for interstate and intrastate (interLATA and intraLATA) dial "1" usage. Qualified customers who are unable to use a telephone directory because of physical disabilities will receive a per-minute rate of \$0.05 for intraLATA dial "1" calls only.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Service Missouri P.S.C Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per minute rate of \$0.35 and a per call surcharge of \$0.75 applies.

Directory Assistance: An undiscounted charge of \$0.95 per call will be applied to each Directory Assistance call.

Directory Assistance Call Completion: Customers may request the Directory Assistance operator to complete a call to the last number requested on that particular Directory Assistance call. The customer will be charged a usage rate in accordance with the service to which the customer is presubscribed for completed calls. An undiscounted charge of \$0.00 will apply.

The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.

¹Effective August 2, 2003 Integrated RLE Plan will no longer be available to new customers.

3. METERED USE SERVICE (Cont'd)

.75 Integrated RLE Plan

Customers who subscribe to this voice service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and must subscribe to companion local service as offered in MCImetro Access Transmission Service Missouri P.S.C Tariff No. 1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion interstate service or to companion intrastate Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will be charged a per-minute rate of \$0.07 for interstate and intrastate (interLATA and intraLATA) dial"1" usage. Qualified customers who are unable to use a telephone directory because of physical disabilities will receive a per-minute rate of \$0.05 for intraLATA dial"1" calls only.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Service Missouri P.S.C Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per minute rate of \$0.35 and a per call surcharge of \$0.75 applies.

Directory Assistance: An undiscounted charge of \$0.95 per call will be applied to each Directory Assistance call.

Directory Assistance Call Completion: Customers may request the Directory Assistance operator to complete a call to the last number requested on that particular Directory Assistance call. The customer will be charged a usage rate in accordance with the service to which the customer is presubscribed for completed calls. An undiscounted charge of \$0.00 will apply.

The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.
