- (1) In addition to any installation charges shown on this rate schedule, an installation charge of \$14.50 per feature is applicable, with a maximum charge of \$14.50 per Basic Rate Interface, when one or more features are ordered subsequent to the installation of the Basic Rate Interface.
- (2) Only the Integrated Services CSV/CSD Transport Options which are noted DigiLine Service compatible can be associated with DigiLine Service. For rates, see Section 1 of the Integrated Services Tariff.
- (3) DigiLine Packet Switching is only available for installations of B-Channel Packet that do not connect to the DPN Packet Switch.
- (4) Allows one packet end point and/or telephone number. In addition, Packet Switched Data Service usage charges apply per the Miscellaneous Services Section of this tariff.
- (5) Effective August 31, 2011, Service Term Agreements are no longer available for new installations or renewals of DigiLine Service. DigiLine Service customers currently on a Service Term Agreement may continue service at their existing rate until the contract term expires. Upon completion of the current contract term, customers may continue receiving the service at the then current month-to-month rates. If the customer does not request discontinuance of the service, the month-to-month tariff rates in effect at such time will automatically apply.
- (6) DigiLine Service is obsolete for residence customers, effective November 1, 2012. No further installations, moves, rearrangements, or changes of any type will be made to residential DigiLine Service as of the effective date. Customers of record on the effective date may continue their Residential DigiLine service as long as such service remains at the location at which it was being furnished on the aforementioned date.

Issued: November 21, 2013

Effective: December 1, 2013
