TARIFF FORMAT

DEC 1 1998

- A. Page Numbering: Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 4 and 5 would be 4.1.
- B. Page Revision Numbers: Revision numbers also appear in the upper right corner of each page. These number are used to determine the most current page version on file. For example, the 4th revised Page 4 cancels the 3rd revised Page 4.
- C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. When a tariff filing is made, an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision.

2 RULES AND REGULATIONS

DEC 1 1998

2.1 Undertaking of the Company

MO. PUBLIC SERVICE COMM

The Company provides telecommunications services through the resale of services of other authorized carriers to customers for the transmission of voice, data, and facsimile, and other special service on a switched and dedicated basis. All services are to be provided in accordance with the terms and conditions set forth in this tariff.

The Company installs, operates and maintains the communication services provided hereunder in accordance with the terms and conditions set forth under this tariff. It may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Company's network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services and facilities are available twenty-four (24) hours per day, seven (7) days per week.

2.2 Limitations

- 2.2.1 Service is offered subject to the availability of the necessary facilities and/or equipment, and subject to the terms of this tariff.
- 2.2.2 The Company reserves the right to discontinue service when necessitated by conditions beyond its control, or when the customer uses the service in violation of law or in violation of the terms of this tariff.
- 2.2.3 The customer may not transfer or assign the use of the service or facilities, except with the express consent of the company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.4 All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.

2.2 Limitations (Cont.)

MO. PUBLIC SERVICE COMMISSION

2.2.5 The company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.

2.2.6 The company reserves the right to refuse service to customers due to insufficient or invalid billing information and/or refusal of a third party to accept billing.

2.3 Use

2.3.1 Customers may only use the services provided under this tariff in a manner consistent with the terms of this tariff and the laws of all governmental authorities having jurisdiction over the service.

2.3.2 Services provided under this tariff shall not be used for unlawful purposes.

2.4 Liability of the Company

2.4.1 Except as specified in this tariff, the Company shall have no liability for damages of any kind arising out of or related to services, events, acts, rights, or privileges related to this tariff. This tariff does not limit the liability of the Company for gross negligence or willful misconduct.

2.4.2 The Company's liability for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service or facilities shall not exceed an amount equal to the charge to the customer for the period of service during which such mistakes, omissions, interruptions, delays, errors or defects in the transmission occur.

2.4.3 THE COMPANY DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

2.4 Liability of the Company (Cont.)

MO. PUBLIC SERVICE COMM

- 2.4.4 In no event will the Company be responsible for any indirect, consequential, incidental, or special damages.
- 2.4.5 The Company is not liable for any act or omission of any other company furnishing any part of the service. No agents or employees of other carriers or companies shall be deemed to be agents or employees of the Company.
- 2.4.6 The Company shall be indemnified and held harmless by the customer against:
- A. Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's services or facilities;
 - B. Patent infringement claims arising from combining or connecting Company furnished facilities with apparatus and systems of the customer; and
 - C. All other claims arising out of any act or omission of the customer in connection with any service provided by the Company.
- 2.4.7 The customer shall indemnify and hold the Company harmless from all losses, claims, demands, suits and other actions, and any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party or persons, for any personal injury or death of any person, and for any loss, damage, or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of such equipment so used.
- 2.4.8 The Company shall not be liable for any defacement or damages to the premises of a customer which is not the direct result of the Company's negligence.

2 RULES AND REGULATIONS (CONT.)**DEC 1 1998****2.4 Liability of the Company (Cont.)****MO. PUBLIC SERVICE COMM**

- 2.4.9 The Company shall not be liable for any failure of performance due to causes beyond its control, including but not limited to: fire, floods, and other catastrophes; acts of God; atmospheric conditions and other natural phenomena; acts of government; court orders; national emergencies; war; civil disturbances; labor problems; third party acts and omissions (including failure of performance for reasons beyond the control of common carriers, interexchange carriers, local exchange carriers, suppliers and subcontractors); and other causes beyond its reasonable control, including failures and fluctuations in electrical equipment.

2.5 Responsibilities of the Customer

- 2.5.1 The customer is responsible for taking all necessary actions for interconnecting the customer-provided equipment or systems with the Company's facilities or services. The customer shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection.

- 2.5.2 The customer shall ensure that the equipment and/or system properly interfaces with the Company's facilities or services; that the signals emitted into the network are of the proper mode, bandwidth, power and signal level for the intended use of the customer and in compliance with the criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other customers. If the FCC or other appropriate certifying body certifies equipment as being acceptable for direct connection with telecommunications service, the Company may allow connection of such equipment to its services without the use of protective interface devices.

- 2.5.3 If the customer fails to maintain the equipment and/or system properly, resulting in potential harm to the Company's equipment, personnel, or quality of service to other customers, the Company may take any immediate action necessary to protect its facilities, personnel, and quality of service. The Company will promptly notify the customer of the need for protective action (this may include requiring the use of protective equipment at the customer's expense). If this fails to produce satisfactory quality and safety, the Company may, upon written notice, take any additional action necessary to protect its facilities and personnel, including termination of the customer's service.

2.6 Interruption of Service

MO. PUBLIC SERVICE COMM

- 2.6.1 Upon customer request, the Company will credit a customer's account for service interruptions which are not due to the Company's testing or adjusting, customer's negligence or willful acts, or to the failure of customer provided facilities or equipment. Before requesting a credit, the customer will take reasonable steps to verify that the trouble could not have been prevented by the customer and is not in the customer's wiring or equipment. The Company will credit the customer for interruptions at the rate of 1/720th of the monthly charge for the facility affected for each hour or major fraction thereof that the interruption continues. Calculations of the credit shall be made in accordance with the following formula:

$$\text{Credit} = A/720 \times B$$

"A" = outage time in hours

"B" = total monthly charge for affected facility

- 2.6.2 Without incurring liability, the Company may interrupt service at any time for inspection, testing, maintenance, or repair. When possible, the Company will notify customers of the cause and expected duration of the interruption at least 24 hours in advance. The Company will not grant any allowances for interruptions for inspection, testing, maintenance, or repair.
- 2.6.3 The Company may discontinue service, without notice to the customer, by blocking traffic to and from certain countries, cities, NXX's, or by blocking calls that use certain authorization codes or calling card accounts when the Company deems it necessary to prevent fraud or other unlawful use of its services. The Company may restore service as soon as it can be provided without undue risk.

2.13 Taxes

The customer is responsible for payment of all applicable federal, state, and local taxes, charges, and assessments. All taxes, charges, and assessments (e.g., gross receipts tax, sales tax, municipal utilities tax, etc.) are listed as separate line items and are not included in the quoted rates. The Company may allocate the taxes, charges, and assessments on a prorated basis among customers within a taxing jurisdiction.

2.14 Right to Backbill for Improper Use

Any person or entity which uses or appropriates the Company's services, whether directly or indirectly, in any unlawful manner or by providing misleading or false information to the Company shall be liable for an amount equal to the charges that would have applied to a customer's actual use of service.

2.15 Payphone Compensation Surcharge

The Company charges \$0.30 for each call originated from a payphone to compensate payphone service providers.

3 DESCRIPTION OF SERVICES**DEC 1 1998**

The Company offers intrastate telecommunications service to customers from and to locations within the State. Intrastate telecommunications service is available 24 hours per day, seven (7) days per week.

3.1 Timing of Calls

Billing for calls placed through the Company's service is based in part on the duration of the call as follows, unless specified otherwise in this tariff:

- A. Call timing begins when the called party answers the call (i.e., when two way communications are established). Answer detection is based on standard industry detection methods, including hardware and software detection.
- B. Chargeable time for a call ends when either party disconnects from the call.
- C. Minimum call duration may vary by service and is specified in Section 4 of this tariff.
- D. Billing increments may vary by service and is specified in Section 4 of this tariff.
- E. The Company will not charge for unanswered (uncompleted) calls.

3.2 Minimum Call Completion Rate

The customer can expect a call completion rate (number of calls completed / number of calls attempted) of not less than 99% during peak use periods for all FGD services.

3.3 Calculation of Distance ("V & H")

MO. PUBLIC SERVICE COMMISSION

Usage charges for mileage-sensitive products are based on the airline distance between serving wire centers associated with the originating and terminating points of the call.

The service wire centers of a call are determined by the area codes and exchanges of the origination and destination points.

The distance between the wire center of the customer and that of the destination point is calculated by using the industry standard vertical ("V") and horizontal coordinates ("H") coordinates.

Step 1: Obtain the V and H coordinates for the wire centers serving the customer and the destination point.

Step 2: Obtain the difference between the V coordinate of each wire center. Obtain the difference between the H coordinates.

Step 3: Square the differences obtained in Step 2.

Step 4: Add the squares of the V difference and the H difference obtained in Step 3.

Step 5: Divide the sum of the squares obtained in Step 4 by 10. Round to the next higher whole number if a fraction remains from the division.

Step 6: Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if a fraction remains.

Formula:

$$\text{Mileage} = \sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$
