Re: Independence Power & Light (IPL) Pilot Weatherization Program

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 6, Original Sheet Nos. 106 and 106.1, which are applicable to the Missouri Gas Energy ("MGE") Service Areas of Laclede Gas Company.

These tariff sheets, which have an issue date of December 1, 2015 and an effective date of January 1, 2016, are being filed to implement the IPL Pilot Weatherization Program which is an experimental co-delivery program between IPL and MGE designed to provide weatherization improvement measures to create long-term (natural gas) bill reduction savings to low-income single family MGE natural gas customers within the IPL service territory. This program is being initiated with the approval of MGE's Energy Efficiency Collaborative.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/Michael R. Noack
