***VIA ELECTRONIC FILING***

Mr. Morris Woodruff, Secretary  
Missouri Public Service Commission  
P.O. Box 360  
Jefferson City, MO 65102

**RE: The Empire District Electric Company (“Liberty”)  
Cogeneration and Net Metering Rates**

Dear Judge Woodruff:

I am providing herewith to the Missouri Public Service Commission for filing, in electronic form, the following revised tariff sheets:

PSC Mo No. 6	Section 4	2 <sup>nd</sup> Revised Sheet No. 13; and
PSC Mo No. 6	Section 4	2 <sup>nd</sup> Revised Sheet No. 6.

Both revised tariff sheets bear an issue date of January 13, 2023, and a proposed effective date of February 12, 2023. Supporting calculations are also attached hereto.

The revised cogeneration tariff sheet is being filed pursuant to Commission Rule 20 CSR 4240-3.155(3), which provides that “(a)ll tariffs and other data required to be prepared and filed by electric utilities under the provisions of section (2) shall be submitted no later than January 15, 2005, and updated and revised on or before January 15 of every odd-numbered year after that, unless otherwise ordered by the commission.”

The revised net metering tariff sheet is being filed pursuant to Commission Rule 20.065(6), which provides that “(e)ach electric utility shall file on or before January 15 of each odd-numbered year for the commission’s approval in the electric utility’s tariff, a rate schedule with a net metering rate that is the same rate as the utility’s cogeneration rate.”

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

*Diana Carter*
