**ORDER CANCELING CERTIFICATE
AND ACCOMPANYING TARIFF**

Issue Date: April 14, 2009

Effective Date: April 24, 2009

On April 2, 2009, the Staff of the Commission filed a motion asking the Commission to cancel the certificate of service authority and the accompanying tariff of Advanced Telecommunication Network, Inc. ("ATN"), a company that has been authorized to offer intrastate interexchange telecommunications services by the Commission.

In Case Number TA-96-205, the Commission granted ATN a certificate of service authority to provide intrastate interexchange telecommunications services. The Commission also approved the company's tariff, P.S.C. Mo. No. 1.

Staff's motion states that according to the Missouri Secretary of State Office, ATN was administratively dissolved on December 22, 1997, for failing to file an annual report. ATN has not filed an annual report with this Commission since August 21, 2006, for the year of 2005 as mandated by § 392.210.1, RSMo and 4 CSR 240-3.540(1).

In addition, ATN filed for Chapter 11 Bankruptcy at the United States Bankruptcy Court, Middle District of Florida, Orlando Division and an order for relief was granted on January 10, 2003.

No complaints have been filed against the company since the commencement of the Commission's Electronic Filing and Information System. Commission Rule 4 CSR 240-3.545(22) requires telecommunications companies to provide and maintain current contact information at the Commission. Staff recommends that the Commission cancel the company's certificate of service authority and accompanying tariff, P.S.C. Mo. No. 1, to provide intrastate interexchange telecommunications services.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, "[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

Based on Staff's motion to cancel the certificate and tariff, the Commission finds that the certificate of service authority and accompanying tariff granted to Advanced Telecommunication Network, Inc., shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of authority to provide intrastate interexchange telecommunications services granted to Advanced Telecommunication Network, Inc., in Case Number TA-96-205, is canceled.

2. Advanced Telecommunication Network's tariff, P.S.C. Mo. No. 1, granted in Case No. TA-96-205, is canceled.

3. This order shall become effective on April 24, 2009.
4. This case may be closed on April 25, 2009.
