Re: Change of Address / Point of Contact

Dear Sir/Madam:

In August 1998, I sent to you a letter requesting that the address and point of contact for USLD Communications, Inc. be changed to reflect our new mailing address and myself as the point of contact.

To date, I am still receiving forwarded mail that the Commission continues to send to USLD's former mailing address.

In a second attempt, I am requesting that the Commission's records be changed to reflect the current and correct mailing address.

All future correspondence should be addressed as follows:

Kim Logue **USLD** Communications. Inc. c/o Qwest Communications 4250 N. Fairfax Drive 12W002 Arlington, VA 22203

CANCELLED

DEC 0 9 2004 By XD-05-137 Public Service Commission

Should you have questions or desire additional information, I may be contacted at 703-363-4321. Thank you in advance for your assistance in clearing up this matter.

Sincerely,

oque

1.1 1-800-YOU-SAVE

1-800-YOU-SAVE is an aggregator specific product which provides end users the ability to complete automated and live operator assisted long distance telephone calls by dialing 1-800-YOU-SAVE. End users process their calls through an automated call processor, charging such calls to a travel card, any valid local telephone company issued card, or certain major credit cards. End users have the option to access a live operator if they wish to charge their calls to the destination number or a valid third party telephone number.

<u>1-800-YOU-SAVE – Operator Services Surcharges</u>

The one time operator surcharge will be added to the first minute of each operator service call in addition to the per minute usage charges following:

- . - .

2. <u>Non-Subscriber Surcharge</u>

A Non-Subscriber Surcharge is applicable to intrastate Operator Station (Collect, Billed to Third Party, and Person-to-Person) calls billed to telephone lines which are presubscribed to an interexchange carrier other than USLD. This charge is in addition to the usage rates applicable to such calls and is also in addition to any applicable service charges for Operator Station calls as specified in the Tariff.

The Non-subscriber Surcharge does not apply to: calls billed to calling cards or credit cards, conference calls, calls to directory assistance, calls billed to telephone lines which have discontinued presubscription to USLD but for whom an active billing record still exists in the Company's billing system or to collect calls accessing USLD's network via 800 access methods.

USLD will credit any Non-Subscriber Surcharges reported by newlypresubscribed USLD Customers during the period between presubscription and administrative processing of the new Customer. The company will also credit any Non-Subscriber Surcharges reported by Customers during a FCC reportable incident for service outage by another interexchange carrier. To receive either of these credits, customers must contact the Company through an 800 number designated for billing inquiries. The credit will be issued in the form of a bill credit to be processed electronically through the customer's Local Exchange Carrier.

The Non-Subscriber Surcharge applies in all Local Exchange areas where billing is available and will be implemented in all remaining Local Exchange areas as billing becomes available.

8. USLD PREPAID CALLING CARDS

> These calling cards offer end users a new type of payment method for outbound voice-grade long distance communications via a prepaid calling card. The user pays in advance for the card, which has been established with a preset amount of long distance units. The user uses this card until all units are depleted. USLD Prepaid Calling Cards are available in preset increments of \$5, \$10, and \$25 in the following retail rates per unit:

> \$0.33, \$0.36, \$0.40, \$0.50, and \$0.60

These rates yield the following units per card:

| | <u>Card</u> | Preset | Value | |
|----------------------|-------------|-------------|-------------|----------|
| <u>Rate Per Unit</u> | <u>\$5</u> | <u>\$10</u> | <u>\$25</u> | |

9. <u>800 CONNECT</u>

A service which offers end users the ability to complete long distance telephone calls through USLD-designated 800 numbers such as "1-800-COSTSLESS." End users process their calls through an automated call processor, charging such calls to their USLD Travel card or any valid local telephone company-issued calling card or major credit card. End users have the option of accessing a live USLD operator if they wish to charge their calls to the destination number or a valid third-party telephone number.

Domestic usage charges: \$0.25 per minute (24 hours per day, 7 days per week)

Operator processing charges:

Automated collect calls: \$1.25 per call Automated credit card and telephone calling card: \$0.75 per call Live operator assistance: \$2.00 per call

No other end user charges apply.

RECEIVED Usages charges for all mileage sensitive 1. JAN 24 1992 products are based on the airline distance between rate MISSOURI centers associated with the originating and terpinating vice Commission points of the call. The airline mileage between rate centers is determined by applying the formula below to the vertical (V) and horizontal (H) coordinates associated with the rate centers involved. USLD uses the rate centers and associated V & H coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape as found in AT&T Tariff F.C.C. No. 10.

FORMULA =

$$\sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

2. Emergency Shortage of Facilities: USLD reserves the right to limit the length of conversation during times of emergency if a shortage of facilities occur.

O. OPERATOR SERVICES FOR TRAFFIC AGGREGATORS JAN 24 1992

"Traffic Aggregators" refer to Subscribers which SCURI Public Service Commissic: operator-assisted calls (such as hotels, hospitals, universities, payphones, etc..). The same regulations, conditions, and rates previously described in Section J for Operator Services will be applied for aggregators and their end users; however the following general REGULATIONS will also be applied specifically to traffic aggregators:

1. USLD will refuse operator services to traffic aggregators which block access to other carriers.

2. Traffic aggregators will post and display in a conspicuous manner information including (1) that USLD is the Operator Service Provider; (2) detailed complaint procedures including address and toll free number to USLD's Customer Service Department; and (3) instructions informing the caller on procedures to reach the LEC operator and other authorized interexchange carriers.
