ENERGY EFFICIENCY AND DEMAND SIDE MANAGEMENT PROGRAMS

WEATHERIZATION PROGRAM

PURPOSE

This voluntary Weatherization Program is intended to assist qualified residential customers in reducing their use of energy through weatherization and conservation.

AVAILABILITY

This voluntary Weatherization Program is available to customers receiving service under the Company's Residential Service Rate 1(M) and who meet the customer eligibility requirements.

TERMS AND CONDITIONS

1. Pursuant to the Order issued by the Missouri Public Service Commission (Commission) in Case No. ER-2011-0028, the Company will provide \$1,200,000 annually (the Program funds) for a residential weatherization grant program (Program), including energy education, for primarily lower income customers. The Program is administered by the Missouri Department of Natural Resources (MDNR).
2. The Program funds will be administered by the State Environmental Improvement and Energy Resources Authority (EIERA) consistent with Program terms and prescribed in the Report and Order issued by the Commission in Case No. ER-2011-0028.
3. The Program offers grants for weatherization services to eligible customers and will be primarily directed to lower income customers.
4. The total amount of grants offered to an individual customer for improvements that can be made to their residence will be determined by using the National Energy Audit Tool (NEAT) software or other MDNR approved audit tool. The grants and improvements offered will be consistent with the federal weatherization assistance program administered by MDNR.
- *5. Up to \$120,000 of the Program funds (\$60,000 annually) will be used for performing a process and impact evaluation of the Program to be completed by July 31, 2012 for the time period January 1, 2010 through December 31, 2011. A second evaluation will be completed by July 31, 2015. The Company will provide two (2) years of each customer's usage and payment history for evaluation purposes. After the evaluation is completed any any unused evaluation funds will be used to provide low income weatherization and be included in the following year's payment.
6. The Company will retain at least two (2) years of post-weatherization usage and payment history for each customer's residence that is weatherized.
