SECTION 3 - DESCRIPTION OF SERVICES

3.4 Outbound Services-Switched Access (continued)

3.4.3 Consumer Outbound Services (continued)

(X) Connections Services (continued)

- .3 If the Customer uses this Service for non-standard residential or non residential purposes, including but not limited to commercial or broadcast facsimile, resale, telemarketing, internet connections and autodialing, the Company may immediately suspend, restrict or cancel the Customer's Service. As a result of non-standard or nonresidential use of Service, the Company may move the Customer to Long Distance III, aka JustCallSM Standard and the rates described in Section 4.4.2 of this Tariff will apply. If the Customer is moved off this Service because of the previously described reasons, the Customer may be ineligible to resubscribe to this Service.

.4 Optional Feature

Customers subscribing to Connection Services are eligible for the Call Detail Suppression optional feature. Call Detail Suppression feature provides a summary of all zero-rated calls included in this optional calling plan, displaying 'total minutes' and 'total number of calls' in lieu of itemizing each call in the "Call Charges" section of the bill.

The Call Detail Suppression optional feature is available at no additional charge. Customers who select this optional feature may request the itemized call detail of the Customer's zero-rated calls for up to twenty-four (24) previous months' bills at no charge. Activation and deactivation of the feature will begin on the Customer's next billing cycle. Customers may add or remove the Call Detail Suppression optional feature for Connection Services without charge.
