ORDER ACCEPTING LATE-FILED ADDITION TO EXHIBIT

Issue Date: September 22, 2006

Effective Date: September 22, 2006

On September 19, 2006, Fidelity Communications Services I, Inc., filed an application requesting that the Commission overturn a decision of the North American Numbering Plan Administrator. On September 21, Fidelity Communications Services I, Inc., filed a motion asking the Commission to accept a late-filed addition to Exhibit C, which it had filed along with its application. The motion explained that two pages had accidentally been left out of the exhibit. The late-filed addition, which was filed along with the motion, simply adds the two missing pages to the exhibit.

Fidelity Communications Services I, Inc.'s motion is reasonable and will be granted.

IT IS ORDERED THAT:

1. Fidelity Communications Services I, Inc.'s Motion to Accept Late-Filed Addition to Exhibit is granted.

2. This order shall become effective on September 22, 2006.
