- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 8 and 9 would be 8.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Missouri Public Service Commission. For example, the 3rd revised Sheet 8 cancels the 2nd revised Sheet 8.
- C. Paragraph Numbering Sequences - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.
  - 2.1.1.A.1.

MAR 9 1995

2.1 Undertaking of Company

MISSOURI  
Public Service Commission

The Company's services are furnished for communications originating and terminating within the State of Missouri under the terms of this tariff.

2.2 Limitations

2.2.1 Service is offered subject to the availability of facilities and the provisions of this Tariff.

2.2.2 Pursuant to Commission-approved procedures, the Company reserves the right to discontinue furnishing service, or limit the use of service necessitated by conditions beyond its control; or when the customer is using service in violation of the law or the provisions of this Tariff

2.3 Liabilities of the Company

2.3.1 Liability of the Company

The Company shall not be liable for loss or damage sustained by reason of failure in or breakdown of facilities of third parties not under its control. In no event shall the Company's liability for any failure, breakdown, or interruption in services exceed the charges applicable under this tariff of such service.

The Company shall not be liable and shall be indemnified and saved harmless by any Customer, end user, or other entity from all loss, claims, demands, suits, or other action or any liability whatever, whether suffered, made, instituted, or asserted by any Customer, end user, or other entity for any personal injury to, or death of, any person or persons and for any loss, damage, defacement or destruction of the premises of any Customer, end user or any other entity or any other property

MISSOURI  
Public Service Commission

**3.1 1+ Long Distance Service**

A direct-dialed long distance service that is available to residential and business Customers. This service allows Customers to place direct dialed long distance calls to terminating locations within the state. Service is available on a full time basis, 24 hours a day, seven days a week. Calls are placed by dialing "1" and the destination telephone number, including the area code. Service is available only in equal access areas. Calls are billed in one minute increments.

**3.2 800 Service**

This service is available to all residential and business Customers in equal access areas and permits the caller to use an 800 number to call a party within the state, at no charge to the caller. Calls are billed to the called party in one minute increments.

**3.3 Travel Card Service**

A flat-rated service which allows Customers, when away from home or their place of business, to charge a long distance call to a travel card issued by the Company. To bill a call to their travel card, Customers dial an 800 number and authorized account code before dialing the number of the called party. Calls are billed in one minute increments. The Company will replace lost or stolen cards quickly and at no charge to the Customer.

**3.4 Debit Card Service**

A prepaid card service that provides an outbound voice grade communications service for calls billed to the debit card. Customers are provided an 800 number and account number. A flat, per minute charge applies to the call and the charge for the call is deducted from the Customer's debit card record/account as the call progresses. Charges for calls are based on one minute increments.
