

Effective January 1st, 2018, IAMO Telephone Company's local service rates will be restructured. This will result in a net decrease to you, the customer. Monthly residential rates will increase from \$20.00 to \$22.50. To minimize the impact of the rate increases to our residential customers, all applicable Federal Access Recovery Charges and their associated Federal Universal Service Charges will be eliminated as allowed by the FCC. Thus, the rate restructuring net decrease will be approximately \$1.07 monthly. If you have questions, please contact our Office at 888-582-3232.
