ORDER GRANTING REQUEST FOR ADDITIONAL TIME TO FILE STAFF RECOMMENDATION

Issue Date: April 21, 2010 Effective Date: April 21, 2010

On August 7, 2009, dPi Teleconnect, LLC (hereafter "dPi") applied for designation as an Eligible Telecommunications Carrier (ETC) throughout the exchanges of Southwestern Bell Telephone Company, L.P. d/b/a AT&T Missouri. Staff filed its Recommendation on March 5, 2010. dPl and Staff have exchanged several rounds of pleadings, the latest of which is a Staff Response dated April 19, 2010.

In its response, Staff states that it needs additional time to review corrections to dPi's annual report deficiencies. Thus, Staff asks for additional time after the review of those corrections to file its Recommendation. Specifically, Staff asks until two weeks after the annual report filings, or May 17, 2010, whichever is sooner, to file its Recommendation.

The Commission finds Staff's request reasonable, and will grant Staff until May 17, 2010 to file its Recommendation.

THE COMMISSION ORDERS THAT:

The Staff of the Commission shall file a Recommendation no later than May 17,
2010.

2. This order shall become effective immediately upon issuance.
