LOCAL EXCHANGE SERVICE TARIFFS

C. RATES

1. General:

Unless otherwise specified, the charges quoted in this tariff are for a period of one month, and are for the central office access lines, which extends from the central office equipment of the Company to the protector located on the premises of the customer; and entitles them access to the local exchange network, and any other non-toll exchanges as shown in Paragraph 2 hereof.

2. Calling Scope:

The exchange service rates indicated under "Rates" are in designated rate groups. The number of access lines callable on a non-toll basis is the calling scope of subscribers of any exchange. The calling scope determines the rate group for the exchange. Exchanges and other exchanges constituting their non-toll calling area are:

LOCAL EXCHANGE SERVICE TARIFF
LIFELINE SERVICE

A. General Regulations

1. Lifeline service is available to qualifying low-income subscribers for single-party residence service.
2. The monthly discount will be the maximum amount allowed by the Missouri Public Service Commission and the Federal Communications Commission; however, this discount will not exceed the sum of the federal subscriber line charge and the recurring charges for voice telephony service. The monthly discount will be the same for Lifeline customers solely subscribing to voice telephony service and for Lifeline customers subscribing to a bundle of services.
3. Lifeline will not be furnished on a Foreign Exchange service.
4. Lifeline service shall not be disconnected for non-payment of toll charges.
5. Toll blocking provides a means of restricting access to the Long Distance Message Telecommunications Network. Toll blocking for the purposes of lifeline service will restrict 1+, 0+ and 0- (operator handled) calls.
 - a. If the customer chooses "toll blocking" the company will not charge a service deposit.
 - b. Toll blocking is offered to Lifeline subscribers at no charge.

LOCAL EXCHANGE TARIFFS
MISSOURI SCHOOL DISCOUNT PROGRAM

1. A discount from standard monthly rates for local exchange access line service may be allowed in connection with service furnished through the Missouri School Discount Program, pursuant to the Video Instructional Development and Educational Program, so enacted by the Missouri State Legislature.
2. Upon a customer's request, a discount of twenty (20 percent) from monthly access line rates, and a concession of one (1) local exchange access line per school within a school district at no charge, may be allowed to educational institutions as determined in Paragraph 3 following, within the company's certified area, and considered as customers of the Telephone Company.
3. An educational institution shall be defined as an accredited public school in the state of Missouri. Public schools must be accredited by the Department of Elementary and Secondary Education for the State of Missouri and/or the North Central Association of Colleges and Schools.
4. The qualifying discount will be permitted only on two-way local exchange access lines. DID trunks, public and semi-public, and all other features, ancillary services or options, relative to the particular service shall continue to be billed at the appropriate tariff rates.
5. The qualifying discount will be permitted only where the predominate use is providing educational and instructional programs and for the educational institutions' administrative use. The discount is not allowed to residential complexes associated with the institution, nor to Alternative Local Exchange Companies for resale.
6. In addition to meeting the qualifications specified in paragraph 3 proceeding, an eligible customer must sign an affidavit certifying that the qualifications is met. The affidavit will be retained on file with the company.
7. The customer should request to receive the discount on all subsequent additions of eligible services which are ordered.
8. The following local exchange services are eligible for a discount under this program:

**DISCOUNTS FOR SCHOOLS AND LIBRARIES
PARTICIPATING IN THE FEDERAL UNIVERSAL SERVICE PROGRAM**

1. Discounts on the intrastate services offered through this tariff will be available to eligible schools and libraries. A school or library will be eligible to participate in the discount program if it receives funds from the Federal Universal Service Fund.
2. The level of discount available will mirror the discount percentage level available to the school or library through the Federal Universal Service Fund program. The discount will be applied against the intrastate service rate otherwise applicable under this tariff. The discount only applies to the extent funds are available to the eligible school or library, through the Federal Universal Service Fund.

COMMUNITY CONNECTIONS

REC'D NOV 06 2002

A. General

Service Commission

1. Service Description

- a. Community Connections is an optional one way, outward service where, for a monthly recurring flat rate, customers can place calls to other customers in exchanges within the Community Connections calling scope, as defined in sub-section 3 of this section.
- b. Qualified usage under this plan is intralata customer-dialed, sent-paid, non-coin calls originating at a subscriber's access line and terminating to an access line in an exchange within the Community Connections calling scope as defined in sub-section 3 of this section.
- c. Calls included in this plan are dialed using a ten-digit local dialing pattern.

2. Service Availability

- a. This service is furnished subject to the availability of the required telecommunications facilities.
- b. Service is available to Missouri local exchange customers of Grand River Mutual Telephone Corporation in the exchanges listed below:

Chula
Jamesport
Meadville

3. Calling Scope

- a. The Community Connection Calling Scope includes the Missouri exchanges and associated NPA NXX(s) as listed below:

	<u>NPA</u>	<u>NXX</u>
Chillicothe (SWBT)	660	646, 707, 752
Trenton (SWBT)	660	339, 358, 359

B. Regulations

1. Rules and Regulations

Unless otherwise stated, Community Connections is subject to the Rules and Regulations applying to all customer contracts as specified in the General Exchange Tariff.

PROMOTIONS

A. General

From time to time, the Telephone Company may elect to offer special promotions to its customers. These promotions will generally consist of a reduced price, a waiver of installation charges, or a free service with a purchase of another service.

Any promotional waiver or discounted rate will apply only one time per customer for each service in any given wire center prefix during the course of the promotional period.

The Telephone Company will provide at least one (1) day's notice to the Missouri Public Service Commission prior to the beginning of each promotion period identifying the promotion and the exchanges within which the promotion will be offered.

B. Specific Promotion

- 1. During the promotional period of February 1 through March 31, 2010, customers requesting the Bringing It All Home Super Bundle will be given this service bundle at no charge for one month. To receive the first month of this service at no charge, the customer must sign a twelve month contract for this service. The amount will be credited on the first month's bill.

LONG DISTANCE SERVICE

Access Services

Access services are those services which are in Section 1.1, et seq., of the Access Services Tariff of Southwestern Bell Telephone Company. These services are offered by the Company to intrastate interexchange customers (ICs) in accordance with the rules, regulations and system of charges specified in the Access Services Tariff filed by Southwestern Bell Telephone Company and approved by the Missouri Public Service Commission.

Provision of Services

The Company, to the extent that such services are or can be made available with reasonable effort, and after provision has been made for the Company's telephone exchange services, will provide to an intrastate IC, upon reasonable notice, services of the type offered in Southwestern Bell Telephone Company's Access Services Tariff at the rates and charges and pursuant to the terms and conditions specified therein. The Company's concurrence in Southwestern Bell Telephone Company's Access Services Tariff shall not be construed or deemed a representation that all services and service components described therein are available from the Company.
