Dear Mr. Woodruff:

The accompanying tariff sheet issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), is being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electric Service:

Filed  
1st Revised Sheet No. 175

Canceling  
Original Sheet No. 175

This tariff sheet is being issued on June 26, 2014 to become effective on and after July 26, 2014.

This revision to the Company's Weatherization Program tariff is needed to reflect changes that were agreed to and approved by the Commission in the NONUNANIMOUS STIPULATION AND AGREEMENT REGARDING AMEREN MISSOURI'S LOW INCOME WEATHERIZATION PROGRAM in Case No. ER-2012-0166. Two of the provisions of that Stipulation and Agreement were inadvertently overlooked when the compliance tariffs were filed in the case. The two provisions involve the timing of the next Evaluation, Measurement, and Verification (EM&V) and the handling of any excess funds reserved for conducting the EM&V.

These proposed changes have been discussed with the Missouri Public Service Commission Staff, Missouri Department of Natural Resources, and the Office of the Public Counsel and they are in agreement with the proposed revisions.

Sincerely,

*Wendy K. Tatro*
