**ORDER APPROVING COMPLIANCE TARIFF**

Issue Date: November 19, 2015

Effective Date: December 1, 2015

On November 12, 2015, the Commission issued a *Report and Order* authorizing Missouri Gas Energy, an Operating Unit of Laclede Gas Company (“MGE”), to submit a tariff sheet to adjust its Infrastructure System Replacement Surcharge (“ISRS”). On November 13, MGE filed a tariff sheet (Tariff No. YG-2016-0119) to comply with the Commission’s *Report and Order*. The tariff sheet lists December 13 as the effective date. MGE requests the Commission approve a December 1 effective date for the ISRS tariff sheet. On November 16, the Commission’s Staff filed a recommendation stating that the rates in MGE’s tariff sheet comply with those authorized in the Commission’s *Report and Order*. Staff recommended the Commission approve MGE’s tariff sheet to go into effect on December 1. Since no objections were made to the tariff sheet, the Commission will approve MGE’s compliance tariff sheet.

On November 17, the Commission issued an order setting a November 18 deadline for parties to file an objection to MGE’s request for a December 1 effective date. No objections were received. Since December 1 coincides with the deadline for an

effective date for a Commission order on MGE's application,<sup>1</sup> and no parties objected to the request for expedited treatment, the Commission finds good cause exists to allow MGE's compliance tariff to go into effect on December 1.

**THE COMMISSION ORDERS THAT:**

**P.S.C. MO No. 6**

---

**Fifth Revised Sheet No. 10, CANCELING Fourth Revised Sheet No. 10**

2. This order shall be effective on December 1, 2015.
3. This file shall be closed on December 2, 2015.
