RE: Tariff Revision – PSC MO No. 2 - ExOp of Missouri, Inc. d/b/a Consolidated Communications

Dear Secretary:

Enclosed for filing, ExOp of Missouri, Inc. d/b/a Consolidated Communications submits the following tariff page with a proposed effective date of May 29, 2018.

Section 9, Fourth Revised Sheet 35

The purpose of this filing is to add a 3-year term for EPAK II for a total bundle price of \$25.00 per month. Upon adding this term, we removed expired Unlimited Centrex term rates from the tariff for services ordered prior to July 1, 2015 for either 1 or 2 year term. We also eliminated the qualifying requirement for 25 or fewer lines for this bundle, and we removed the 11 line maximum for unlimited calling. The total bundle includes local and interLATA/intraLATA components. This filing includes updates to the intraLATA component. For the local component, please see concurrent filing by ExOp of Missouri, Inc. for PSC MO No. 1. The interLATA portion is universal across the Consolidated Communications footprint and has not been changed.

Please contact Beth Westman at 207.535.4249 or beth.westman@consolidated.com with any questions or concerns regarding this filing.
