Re: Name Change Request of Alltel Holding Corporate Services, Inc. to Windstream Communications, Inc; and the resulting Adoption of Tariffs of Alltel Communications, Inc. by Windstream Communications, Inc.

Dear Ms. Dale:

Pursuant to Missouri Public Service Commission ("Commission") Rules 4 CSR 240-2.060(5) and 4 CSR 240-3.545(20), Alltel Holding Corporate Services, Inc. ("AHCSI") respectfully requests that the Commission approve its name change from Alltel Holding Corporate Services, Inc. to Windstream Communications, Inc.

In addition, and in accordance with the Commission's Order Approving Interexchange and Nonswitched Local Exchange Certificate of Service Authority issued February 24, 2006 in Case No. XA-2006-0271 and its Order Approving Stipulation and Agreement issued April 25, 2006 in Case No. TM-2006-0272, Windstream Communications, Inc. is filing the attached Revised Adoption Notice and Revised Title Page, with a forty-five (45) day effective date, to effectuate the adoption of the current tariff of Alltel Communications, Inc.

Case No. TM-2006-0272 included a request for authority to transfer the resale interexchange service customer base of Alltel Communications, Inc. to AHCSI, which is a component of the overall transaction whereby Alltel Corporation is separating its incumbent local exchange and interexchange services businesses from its wireless business. Contemporaneous with that proceeding, AHCSI filed a separate application with the Commission for a certificate of service authority to provide interexchange telecommunications services and that matter was assigned Case No. XA-2006-0271, as referenced above. No tariff or adoption filings have been made by AHCSI in Missouri to date. As contemplated, and as referenced in the Unanimous Stipulation and Agreement

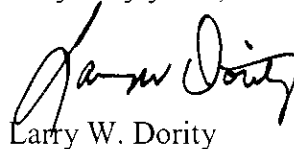

in Case No. TM-2006-0272, AHCSI would change its name and the new name of AHCSI is Windstream Communications, Inc. The Unanimous Stipulation and Agreement, approved by the Commission, further reflects that the underlying tariffs of the current interexchange carrier, Alltel Communications, Inc., would be adopted by the new entity.

As required by 4 CSR 240-2.060(5)(B), evidence of registration of the name change from Alltel Holding Corporate Services, Inc. to Windstream Communications, Inc. with the Missouri Secretary of State is attached. In addition, as discussed above, an adoption notice and revised tariff title sheet with an effective date of at least 30 days after the filing date are attached, as required by 4 CSR 240-2.060(5)(C). There are no changes to the rates, terms or conditions of the tariffs, but merely the required adoption notice language under 4 CSR 240-3.545(20). Also attached, in conformance with 4 CSR 240-3.545(20), is a copy of the customer notice contained in previous billings notifying customers of the name change to Windstream Communications, Inc.

Windstream Communications, Inc.'s Revised Adoption Notice and Revised Title Page to the underlying Alltel Communications, Inc. Tariff MO P.S.C. No. 1 reflect an issued date of June 2, 2006, and an effective date of July 17, 2006.

Please feel free to contact me regarding any questions you may have concerning this filing, a copy of which is being provided to the Office of the Public Counsel.

Very truly yours,

A handwritten signature in black ink, appearing to read "Larry W. Dority", is written over a printed name.

Larry W. Dority

Important: Upcoming Changes Involving Your After-Long-Distance Service

Dear Valued Customer,

Alltel Communications, Inc. is spinning off its landline business and merging it with VALOR Telecom. The new company will be named Windstream Communications, Inc., and will provide local phone, long-distance, broadband and satellite TV services. Alltel will remain primarily a wireless service provider. These changes are subject to obtaining all prior regulatory approvals.

As a result of this transaction, your long-distance telephone service will transfer from Alltel Communications, Inc. to Windstream Communications, Inc. on or about July 3, 2006.

Rest assured you will continue to receive the high-quality service you have come to expect. There will be no change in your current plan, rates, features, terms and conditions of your service or customer service contacts. Also, there will be no charges associated with transferring your service to Windstream, and no action is required by you during this transfer.

As a customer, you have a choice in carriers for your long-distance telephone service. If you choose to select another carrier, you should contact that carrier immediately to ensure that your services are transferred before July 3, 2006. Customers may make one change in long-distance carriers during the 30 days after the transfer to Windstream at no cost. Should you choose another carrier for your long-distance service, you will lose certain "bundled" discounts or other benefits you currently enjoy on your local and long-distance service.*

Under Federal Communications Commission rules, any restrictions or "freezes" you may have placed on your account to block changes to your preferred long-distance carrier will be removed as part of the transfer process. If you wish to reinstate such restrictions, please contact us at 1-888-9Alltel (1-888-925-5835).

Customer service is the foundation of our business. Please let us know how we can work with you to meet your needs. If you have any questions or complaints before, during, and after the transition of your service to Windstream, do not hesitate to contact us at 1-888-9Alltel.

Be sure to look for more information from us during the upcoming months. We are excited about serving you and look forward to providing you with the same high-quality, innovative products and services into the future.

Sincerely,

Windstream Communications, Inc.

*Customers with a bundled product (a combination of local products that qualify them for a specific long-distance plan) who make a change to that bundle of services will be moved to an appropriate qualifying long-distance plan. Specific details regarding the long-distance plan may be found at www.alltel.com.
