Issue Date: August 6, 2014

Effective Date: August 7, 2014

On August 1, 2014<sup>1</sup>, Missouri Gas Energy, an operating unit of Laclede Gas Company ("MGE") filed a tariff that would revise its Temporary Low-Income Energy Affordability Program ("Program"). MGE filed a substitute tariff sheet on August 6 intended to accomplish the same goal. The tariff sheet bears an effective date of August 31. But MGE filed a motion for expedited treatment along with its tariff. That motion asks the Commission to approve the tariff effective August 7.

MGE states that good cause exists to approve the tariff on an expedited basis. That good cause is that MGE will be able to open the Program to a larger base of customers, and that MGE and its associated community action agencies will be better able to fulfill the intent

of the Program. MGE states that it is authorized to state that the Commission's Staff and the Office of the Public Counsel do not object to the requested relief.
