4.11.3 Individual Case Basis

Private Line Services will be made available to Customers in a non-discriminatory manner. Rates for interexchange dedicated access, private line, nonswitched services will be determined on an Individual Case Basis (ICB). ICB rates will be structured to recover the Company's cost of providing the Service and will be made available to the Missouri PSC staff upon request on a proprietary basis. ICB rates will not be used for switched services.

4.12 Payphone Surcharge

Pursuant to the FCC's Order in CC Docket 96-128, this surcharge applies only to dial-around calls, i.e., calls originating using a carrier's access code, a Customer's 800 and other toll-free numbers, calling card calls, and prepaid card calls, from payphone instruments. This surcharge does not apply for 0+ call for which the payphone provider would otherwise receive compensation. Unless stated otherwise in this Tariff, the Customer shall pay the Company a per call surcharge of \$0.60 for all such calls.
