ACCESS SERVICES

1. APPLICATION OF TARIFF

1.1 Application

1.1.1 General

This tariff applies to the furnishing of Access Services by Teleport Communications America, LLC within the State of Missouri. Switched Access Services are furnished for the capability of originating and terminating intrastate Long Distance calls.

(C)

(C)

This tariff applies only for the use of the Company's services for communications within the State of Missouri.

The provision of Access Services is subject to existing regulations specified in the tariffs of Teleport Communications America, LLC, and may be revised, added to, or supplemented by superseding issues.

All offered service contained herein is subject to available facilities and authorization from the local municipalities in the jurisdiction where the service is offered.

When services and facilities provided by the Company are used to obtain access to the regulated or unregulated services provided by another company, or are used by another company as a part of the regulated or unregulated services offered by that company, the regulations of the Company apply only to the use of the Company's services and facilities.

Services under this Tariff may be offered and billed under the name of Teleport Communications America, LLC serving the customer's location, or under the name of a subsidiary or affiliate, including but not limited to AT&T Corp., AT&T Communications, and any AT&T affiliates authorized to provide you with AT&T services prior to November 17, 2005. Services may be offered singly or in bundles with services offered by Teleport Communications America, LLC or their affiliates.
