TARIFF FORMAT

A. Sheet Numbering Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. Sheet Revision Numbers Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Missouri Public Service Commission. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14.

SECTION II-RULES AND REGULATIONS

MO. PUBLIC SERVICE COM. 1.

1. Description of Service

- 1.1 For purposes of this tariff, the service provided by Company is the resale of interLATA and intraLATA interexchange telecommunications services within the State of Missouri.
- 1.2 The facilities of the Company will be available as soon as practicable upon receipt of an order between those points in different LATAs as specified. Interconnection of the Company's facilities with the facilities of other duly authorized and regulated communications common carriers, and with International Record Carriers ("IRCs"), will be permitted.
- 1.3 The obligation of the Company to provide service is dependent upon its ability to procure and maintain facilities which are required to meet the subscriber's order for service. The Company will make all reasonable efforts to secure the necessary facilities and will amend its tariff accordingly, providing such new service will not adversely affect the Company's present services.
- 1.4 Company, when acting on the subscriber's request, and as subscriber's authorized agent, will make reasonable efforts to arrange for service requirements which may include terminal equipment, circuit conditioning, or connection access.
- 1.5 To use Company's service, the Customer accesses the Company's system, the Customer's phone number or security code is verified and the call is processed.

3. Deposits

- 3.1 Each applicant for service will be required to establish credit. Any applicant whose credit has not been duly established, when deemed necessary by the Company, may be required to make a deposit to be held as a guarantee of payment of charges at the time of application. In addition, an existing subscriber may be required to make a deposit or increase a deposit presently held.
- 3.2 A deposit is not to exceed the average charges for two (2) months service for that class of service.
- 3.3 A deposit will be returned:
- 3.3.1 When an application for service has been cancelled prior to the establishment of service. The deposit will be applied to any charges applicable in accordance with the tariff and the excess portion of the deposit will be returned within 21 days of final bill.
- 3.3.2 At the end of twelve (12) months of a satisfactory credit history.
- 3.3.3 Or upon the discontinuance of service. The Company will refund the subscriber's deposit or the balance in excess of unpaid bills for the service within 21 days of final bill.
- 3.4 The fact that a deposit has been made in no way relieves the subscriber from complying with the regulations with respect to the prompt payment of bills on presentation.

4. Use of Service (Continued)

- 4.3 Service may be arranged for joint use or authorized use. The joint or authorized user shall be permitted to use such service in the same manner as customer, but subject to the following:

4.3.1 One joint or authorized user must be designated as the subscriber. The designated subscriber does not necessarily have to have communications requirements of their own. The subscriber must specifically name all joint or authorized users in the application for service. Orders which involve the start, rearrangement, or discontinuance of joint or authorized use service will be accepted by Company only from that designated subscriber and will be subject to all regulations in this tariff.

4.3.2 All charges for the service will be computed as if the service were to be billed to one subscriber. The joint user or authorized user which has been designated as the subscriber will be billed for all components of the service and will be responsible for all payments to Company. In the event that the designated customer fails to pay the Company each joint user or authorized user shall be liable to the Company for all charges incurred as a result of its use of Company service.

- 4.4 Service may be arranged for use by Other Common Carriers for the purposes of resale subject to the following:

4.4.1 Other Common Carriers will be responsible for charges, costs, etc., incurred by Company with respect to services as referenced in this tariff.

4.4.2 Other Common Carriers are responsible for all interaction and interface with their own subscribers or customers.

4. Use of Service (Continued)

4.5 Service shall not be used for the following:

4.5.1 for any unlawful purpose.

4.5.2 for any purpose for which payment or other compensation is received by the customer, except when the customer is a duly authorized and regulated common carrier. This provision does not prohibit an arrangement between the customer, authorized or joint user to share the cost of the service so long as this arrangement generates no profit for anyone participating in a joint use or authorized use arrangement.

4.6 Service furnished by Company may be arranged for use for the purposes of resale subject to the following;

4.6.1 The customer will be responsible for charges, costs, etc., incurred by Company service(s).

4.6.2 The customer will be responsible for all interaction and interface with their own subscribers or customers.

4.7 Service furnished by Company shall not be used for any purpose for which any payment or other compensation is received by the customer, except when the customer is an entity which holds itself out as being a communications common carrier. This provision does not prohibit an agreement between the customer, authorized user or joint user to share the cost of the service as long as this arrangement generates no profit for anyone participating in a joint use or authorized use arrangement or where otherwise agreed upon by Company and the customer.

5. Limitations

- 5.1 Service is offered, subject to the availability of the necessary facilities and/or equipment and subject to the provisions of the tariff. The Company reserves the right not to provide service to or from a Customer where the necessary facilities or equipment are not available.
- 5.2 Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff, or in violation of the law.
- 5.3 Service may be discontinued by Company, without notice to the customer, by blocking traffic to certain cities, or NXX exchanges, or by blocking calls using certain customer authorization codes, when Company deems it necessary to take such action to prevent unlawful use of its service. Company will restore service as soon as it can be provided without undue risk, and will, upon request by the customer affected, assign a new authorization code to replace the one that has been deactivated.
- 5.4 There are no limits on the number of calls placed or the length of individual calls.
- 5.5 Company restricts all 976 exchange calls.

SECTION II-RULES AND REGULATIONS (Continued) PUBLIC SERVICE COMMISSION

6. Terms and Conditions

- 6.1 Service is provided and billed on the basis of a minimum period of at least one month, beginning on the date that billing becomes effective, and continues to be provided until cancelled, by the customer, verbally or in writing, with no less than thirty (30) days notice.
- 6.2 Service is offered on a monthly basis, twenty-four (24) hours per day. It is also offered on a Metered Use basis as described in Section III, paragraph 7.03.
- 6.3 For the purpose of computing charges in this tariff, a month is considered to have thirty (30) days.
- 6.4 The name(s) of the customer(s) desiring to use the service must be stipulated in the application for service.
- 6.5 The customer agrees to operate Company-provided equipment in accordance with instructions of Company or Company agents. Failure to do so will void Company liability for interruption of service and may make the customer responsible for damage to equipment.

SECTION II-RULES AND REGULATIONS (Continued)

7. Liability

7.1 The liability of Company for damages arising out of mistakes, omissions, interruptions, delays, errors, or defects in transmission occurring in the course of furnishing service and not caused by the negligence of the customer or of Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate charge to the customer for the period of service during which such mistakes, omissions, interruptions, delays, errors, or defects in transmission occur.

7.2 Company shall be indemnified and held harmless by the customer against:

7.2.1 claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over Company's channels;

7.2.2 patent infringement claims arising from combining or connecting Company furnished channels with apparatus and systems of the customer;

7.2.3 all other claims arising out of any act or omission of the customer in connection with any service provided by Company.

7.3 Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.

7. Liability (Continued)

- 7.4 When the facilities of other carriers are used in establishing connections to points not reached by the Company's facilities, the Company is not liable for any act or omission of the other carrier(s). The subscriber will indemnify and save harmless the Company from any third-party claims for such damages referred to in Section 3.
- 7.5 Company does not guarantee or make any warranty with respect to any equipment provided by it where such equipment is used in locations containing an atmosphere which is explosive, prone to fire, dangerous or otherwise unsuitable for such equipment.
- 7.6 The customer indemnifies and holds Company harmless from any and all loss, claims, demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted, or asserted by the customer or by any other party or persons, for any personal injury to or death of any person or persons, and for any loss, damage, or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location, or use of such equipment so used.

SECTION II-RULES AND REGULATIONS (Continued)7. Liability (Continued)

- 7.9 The customer shall ensure that equipment and/or system is properly interfaced with Company facilities, that the signals emitted into Company's network are of the proper mode, bandwidth, power, data speed, and signal level of the intended use of the customer and in compliance with the criteria set forth in this tariff and that the signals do not damage Company equipment, injure personnel or degrade service to other customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, Company will permit such equipment to be connected with its channels without the use of protective interface devices. If the customer fails to maintain and operate their equipment and/or system properly, with resulting imminent harm to Company equipment, personnel, or the quality of service to other customers, Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety, Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety, Company may, upon written notice, terminate the customer's service.
