Re: Notice of Election and Withdrawal of Southwestern Bell Telephone Company d/b/a/ AT&T Missouri Tariffs Pursuant to §392.461, RSMo, enacted by House Bill No. 338

Dear Secretary of the Commission:

Section §392.461 RSMo allows telecommunications companies, upon notice to the Missouri Public Service Commission (“Commission”), to elect to be exempt from the requirement that they offer retail services to residential or business end users only through tariff, and to withdraw such tariffs. However, the law requires electing companies to publish generally available retail prices on a website.

Southwestern Bell Telephone Company, d/b/a/ AT&T Missouri (“the Company”) hereby gives the Commission notice of its election to be exempt from tariff filing requirements relating to, and of its intent to withdraw, portions of the below-listed tariff.

- General Exchange Tariff P.S.C. Mo. - No. 35

This Notice of Election and Withdrawal shall become effective May 1, 2014. With this Notice, the Company is withdrawing the rates, charges, terms and conditions in Sections 1 through 33, 35, 36, 38 through 41 and 43 through 59. The Company will make available these rates, charges, terms and conditions on its website at www.att.com/servicepublications. The following sections of the General Exchange Tariff will remain filed with the Commission.

- Payphone Exchange Access Service Section 34
- Shared Tenant Service (STS) Arrangements Section 37
- Exchange Interconnection Service Section 42

Minor administrative changes have also been made to these sections. The tariff revisions are reflected on the attached tariff sheets, with issued and effective dates of April 1 and May 1, 2014, respectively.

Please refer any questions on this matter to me on 573-638-0261.
