- 34.1.1 Payphone Exchange Access Service is offered for use with pay telephones and public facsimile devices. This service includes coin, coinless, cordless, card reader or a combination of a coin/card reader instrument.

Payphone Exchange Access Service is furnished to payphone service providers opting to provide a means for the general public, transients and/or collective groups to place local and/or toll calls. Normally, locations for Payphone Exchange Access Service include, but are not limited to, restaurants, convenience stores, hospitals, educational institutions, truck stops, etc.

All attachments of pay telephones to the network must be made pursuant to the rules and regulations set forth in this tariff and the Guidebook.(1)

- 34.1.2 Payphone Exchange Access Service is a two-way or, optionally, one-way originating only business exchange access line composed of the serving central office line equipment, all outside plant facilities needed to connect the serving central office with the customer's premises and the network interface. These facilities are Telephone Company-provided and maintained and provide access to and from the telecommunications network for long distance service and local calling. 1+ 900 call restriction is provided at no additional charge.(2)

- 34.1.3 Selective Class of Call Screening will be provided where such facilities are available at the payphone service provider's option. Selective Class of Call Screening treatment restricts outgoing operator-handled calls, placed over the Telephone Company's network, as described in paragraph 34.4.2.A. The Telephone Company will not be responsible for screening those calls placed over the network of any carrier other than the Telephone Company or placed through non-local exchange telephone company operators.(1)(3)

The specific Selective Class of Call Screening type is chosen by the payphone service provider from those shown in paragraph 34.4.2.A. No variation, alteration or refashion of the screening codes, billing restrictions, applicable access or other general provision of this Selective Class of Call Screening treatment will be permitted.

- 34.1.4 Billed Number Screening will be provided at the payphone service provider's option at no additional charge. Billed Number Screening restricts collect calls and bill to third number calls placed over the Telephone Company's network from being billed to the pay telephone account.

(1) Not applicable to the public facsimile device.

(2) 1+ 900 call restriction restricts calls to these pay-per-call information services to only those calls which are alternately billed.

(3) Selective Class of Call Screening is not available in conjunction with SmartCoin access lines.
