EIERA Loan Payment Surcharge: A monthly surcharge of \$9.15 will be added to each customer's bill. The proceeds from this surcharge will be accounted for separately from other Company funds and will be used solely for making the regularly scheduled monthly principal and interest payments on the Company's EIERA loan. Any proceeds from this surcharge that are in excess of the regularly scheduled monthly EIERA loan payment will be used for prepayment of the principal balance of the EIERA loan. In the event the proceeds from this surcharge are not sufficient to make the regularly scheduled monthly EIERA loan payment, the balance of the payment will be made using other Company funds. This surcharge will be reviewed annually and is subject to change by the Commission based upon changes in the number of customers, billing and collection history or for other such good cause as the Commission may order. This surcharge will terminate when the EIERA loan approved in Case No. WF-93-270 is paid off or on July 1, 1998 whichever shall first occur.
