4.5.15 Integrator Service (6) (T)

Integrator Service is an integrated voice and Internet access data service provisioned over a T1 circuit. The Company will require Customer to maintain a minimum service line commitment in order to subscribe to the Integrator Service at the rates specified in this section. Such commitment will vary depending upon Customer's rate group and the data level commitment requested by Customer. (T)

1. Service Definitions (M)

For the purpose of Section 4.5.15 reference to Integrator will be variously "Service" or "Services". (N)

The regulations specific to the Integrator Service in Section 2.4.7 and Section 2.6.3, regarding SLA and Customer Responsibility, respectively, apply in addition to other regulations stated in other sections of this Tariff. Any charges in any proposal or quotation are exclusive of taxes and surcharges. Term pricing may not be combined with any other offer.

The 12-month, 24-month and 36-month term agreements are available for Services. Month-to-month service is not available. Early terminations will result in early termination fees as stated in Section 2.6.3

All Birch Long Distance term offers are available in conjunction with Integrator Service.

Metro service provides for unlimited two way calling to exchanges. Metro lines cannot hunt to non-metro lines. (N)

2. Non-recurring Charges

1. Definitions

- a. Additional Feature – non-recurring feature charge applies for adding, deleting or rearranging Service features, hunting on an existing account or for B channel rearranging on an existing Service account.
- b. Additional Voice Channel – a non-recurring additional voice channel fee applies for increasing or decreasing voice channels on an existing PRI Connect account.
- c. Move Charge - a move is defined as a location change such that the new location is within the same building and no facility modifications are required (i.e. new loop to the Customer premises) or a move to a new location at a different location. The non-recurring charge is applied per location.
- d. After Hours Conversion Charge – Customer may request that conversion to the Service be completed after normal business hours (8 a.m. to 5 p.m. CST). The After Hours Conversion can be scheduled from 5 p.m. to 7 p.m. CST, Monday through Thursday. All holidays and the day before a holiday are excluded from the available days for conversion. The Company may limit the number of After Hours Conversions in its discretion, considering the forecasted impact to its systems and networks, additional costs, vendor availability, and resource availability.
