

February 15, 2019

Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or the "Company") were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on February 15, 2019:

<u>Filed</u>	<u>Canceling</u>
3rd Revised Sheet No. 163 5th Revised Sheet No. 163.1	2nd Revised Sheet No. 163 4th Revised Sheet No. 163.1

These tariff sheets are being issued February 15, 2019 to become effective on and after March 17, 2019.

The purpose of the proposed tariff revisions are to extend the Voluntary Green/Pure Power pilot program through December 31, 2019 at which point services offered under this pilot shall end. Prior to that date, Company will either i) notify customers of the expiration of the pilot Program and notify customers of alternative renewable energy programs offered by Company or ii) seek approval from the Missouri Public Service Commission for a new tariff that will modify or replace this pilot Program.

The proposed tariff revision was discussed with Missouri Public Service Commission Staff prior to filing and their suggestions were incorporated.

Sincerely,

Jermaine Grubbs

Jermaine Grubbs
