The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.
