SECTION C - SERVICE DESCRIPTIONS AND RATES (Cont'd)

3. METERED USE SERVICE

.01 General Description

Metered Use Service offers the use of interexchange communications facilities shared among multiple users, and is provided on the basis of forty-three separate service options (Dial One/Direct Dial, Credit Card, Prism Plus, MCI Preferred, Commercial Dial-1 Service, MCI PhoneCash, MCI PrePaid, MCI Flat Rate, 500 Personal Number, hospitalityMCI, Advanced Option I for Small Business, MCI Flat Rate Plus service, MCI One Savings, MCI Everyday Classic, MCI Everyday Plus, MCI AnyTime, MCI Everyday Savings, Basic Calling Plan XX, Basic Calling Plan YY, Basic Calling Plan ZZ, 321 Direct Plan, 220 Direct Plan T1LD 7c, T1LD Plan, MCI Simple International Plan, Basic Calling Plan A, Basic Calling Plan B, Block of Time Plan 4, Block of Time Plan 5, Block of Time Plan 6, Block of Time Plan 7, and NetRate Plan). Depending on the option(s) chosen the customer may select the manner in which calls are originated and terminated, may obtain one-way or two-way service, may enjoy point-to-point or multipoint service, or may originate calls in multiple cities.

D
|
D

Certain Metered Use Service Offerings may involve a recurring monthly minimum charge for interexchange facility usage or an initiation of service fee. A monthly listing of each call and its duration is available as a standard feature. At additional cost, certain Metered Use Service options offer a customer the ability to: (1) identify the users and allocate the cost of his long distance facilities through the use of additional authorization codes, (2) reduce the amount of dialed digits through the use of speed numbers, and (3) receive their call records on magnetic tape.

Under each of the above service options, the individual customer's total monthly charges for their use of the interexchange communication facilities are based upon the total time the customer (account) utilizes such facilities. In that regard, individual interexchange facilities usage charges, as well as other specific charges, discounts and/or features are applicable to each individual service option. When a metered use service call is established in one time-of-day rate application period and ends in another, the rate in effect in each rate application period applies to the portion of the call occurring within that rate application period. The rates and charges applicable at any given time within the allowable minimum/maximum range for Option A (Dial One/Dial Direct), Option B (Credit Card) will be specified in a supplemental rate schedule filed with and approved by the Missouri Public Service Commission. Any change to a rate or charge within the allowable range shall not be construed as an application to increase or decrease rates. A specific description of each of the Metered Use Service options and its recurring and non-recurring charges, features, applicable discounts and service availability is contained in Sections C.3.02-C.3.51 following.

.01 General Description

Metered Use Service offers the use of interexchange communications facilities shared among multiple users, and is provided on the basis of twenty-nine separate service options (Dial One/Direct Dial, Credit Card, MCI WATS, Prism I, Prism Plus, MCI 800 Service, Vnet, MCI Vision, Preferred, MCI 900 Service, Commercial Dial-1 Service, MCI PhoneCash, MCI HotelDirect, MCI PrePaid, MCI MASTERS, University Dial 1, MCI Flat Rate, 500 Personal Number, hospitalityMCI, Advanced Option I for Small Business, MCI Flat Rate Plus service, networkMCI One, MASTERS97, MCI One Savings MCI WorldCom On-Net Services, MCI Everyday Classic, MCI Everyday Plus, MCI AnyTime and MCI Everyday Savings). Depending on the option(s) chosen the customer may select the manner in which calls are originated and terminated, may obtain one-way or two-way service, may enjoy point-to-point or multipoint service, or may originate calls in multiple cities.

T

T/N

Certain Metered Use Service Offerings may involve a recurring monthly minimum charge for interexchange facility usage or an initiation of service fee. A monthly listing of each call and its duration is available as a standard feature. At additional cost, certain Metered Use Service options offer a customer the ability to: (1) identify the users and allocate the cost of his long distance facilities through the use of additional authorization codes, (2) reduce the amount of dialed digits through the use of speed numbers, and (3) receive their call records on magnetic tape.

Under each of the above service options, the individual customer's total monthly charges for their use of the interexchange communication facilities are based upon the total time the customer (account) utilizes such facilities. In that regard, individual interexchange facilities usage charges, as well as other specific charges, discounts and/or features are applicable to each individual service option. When a metered use service call is established in one time-of-day rate application period and ends in another, the rate in effect in each rate application period applies to the portion of the call occurring within that rate application period. The rates and charges applicable at any given time within the allowable minimum/maximum range for Option A (Dial One/Dial Direct), Option B (Credit Card) and Option C (MCI WATS) will be specified in a supplemental rate schedule filed with and approved by the Missouri Public Service Commission. - A. MCI Communications Services, Inc. may enter into operator services contracts with traffic aggregators to provide intrastate operator services to end users at traffic aggregate locations only if such operator services are offered to end users under the same terms, conditions, and rates as are offered to end users receiving operator services directly from MC.
- B. In offering intrastate operator services to end users through contracts with traffic aggregators, MCI will observe the following conditions:
 - 1. Incomplete calls will not be billed knowingly. Where answer supervision is unavailable a timing surrogate or other technological device will be used to prevent the accidental billing of incomplete calls. Charges for incomplete calls will be removed promptly upon notice by the billed party or upon knowledge of their existence by MCI .
 - 2. The end user and billed party, if different from the end user, will be informed at the time of initial contact that MCI is the operator services provider;
 - 3. Rates, including all rate components and any additional charges, will be quoted by MCI at no charge upon request by the end user;

.027 PrimeTime Option 1/

PrimeTime is a discounted variation of Dial One Service which offers one hour of interstate calling. Customers must select the PrimeTime Option described in MCI WORLDCOM's Tariff FCC No. 1, in which case they may include their intrastate calls for an additional charge of \$2.25 per month. Customers may place calls between 5:00 PM and 8:00 AM Monday through Friday, all day Saturday and Sunday until 5:00 PM, and between 11:00 PM Sunday and 8:00 AM Monday. Additional minutes of interstate and intrastate evening and night/weekend calling during these time periods are available at \$.15 per minute.

For an additional \$1.25 per month charge, all calls made outside the specified time periods will be given a discount of 10% (in lieu of any other volume discounts contained herein) off that portion of the monthly usage charges incurred at the rates listed in Section C-3.026 preceding. 2/ If a customer chooses this option, the monthly charges still apply regardless of the volume of calls made under this plan during any month.
