File No. GR-2014-0007

**ORDER APPROVING TARIFF SHEETS IN
COMPLIANCE WITH COMMISSION ORDER**

Issue Date: April 30, 2014

Effective Date: May 1, 2014

On April 23, 2014, the Commission issued an order approving the Stipulation and Agreement resolving all issues. In that order, the Commission directed Missouri Gas Energy (MGE) to file revised tariff sheets in compliance with the agreement. On April 24, 2014, Missouri Gas Energy filed revised tariff sheets, requesting that they be approved to become effective on May 1, 2014.

Section 393.140 (11), RSMo requires that tariffs be filed with an effective date of 30 days. However, for good cause shown, tariff sheets may be approved in less than 30 days. That the tariff sheets become effective on May 1, 2014, was contemplated in the Stipulation and Agreement. Also, approving the tariff sheets on May 1 ensures that Laclede's customers receive the intended benefit of the tariff modifications. Finally, the May 1 effective date will be in compliance with the Commission's order.

On April 29, 2014, the Staff of the Commission filed its memorandum informing the Commission that the revised tariff sheets are in compliance with the Stipulation and Agreement. Staff recommends that the Commission approve the tariff sheets to become effective on May 1, 2014.

All parties to the Stipulation and Agreement agree that the revised tariff sheet should become effective on May 1, 2014. The Commission finds good cause to approve the tariff sheet on less than 30 days' notice and will approve the tariff sheets to become effective on May 1, 2014.

THE COMMISSION ORDERS THAT:

1. The revised tariff sheets, Tariff File No. YG-2014-0428, are approved to become effective on May 1, 2014.
2. This order shall become effective on May 1, 2014.
3. This file shall be closed on May 2, 2014.
