Re: Notice of Adoption of the “American Broadband” Fictitious Name

Dear Ms. Brueggemann:

Pursuant to 4 CSR 240-2.062 and 4 CSR 240-3.545(20), the following companies respectfully request that the Missouri Public Service Commission (“Commission”) acknowledge the adoption of the “American Broadband” fictitious name by the following regulated entities:

Holway Telephone Company (ILEC)
Holway Long Distance Company (IXC)
KLM Telephone Company (ILEC)
KLM Long Distance Company (IXC)
N.W. Communications Company (Video)

See 4 CSR 240-2.062(1)(A).

These entities are in good standing with the Missouri Secretary of State. As applicable, they are also in compliance with the Commission’s Annual Report requirements, and they are current with their Missouri USF and Commission assessments.

As required by 4 CSR 240-2.062(1)(B), evidence of registration of the fictitious name, American Broadband, is included as Attachment A.

As required by 4 CSR 240-2.062(C), a copy of the notice to be sent to customers to inform them of the name change is included as Attachment B.

As required by 4 CSR 240-2.062(D), copies of the adoption notices and revised tariff title sheets that were filed concurrently with this notice (with ten-day effective dates) reflecting the new fictitious names are included as Attachment C.

As required by 4 CSR 240-2.062(E), the company hereby states that it has reviewed its contacts on the Commission's electronic filing and information system (EFIS) and they have been updated as needed.

Finally, Holway Telephone Company and KLM Telephone Company are also updating the tariff list of rules and statutes waived to recognize the rules and statutes waived pursuant to HB 1779 and acknowledged by the Commission on March 20, 2012 in Case No. TE-2012-0073.

If you have any questions, please do not hesitate to contact me.

Sincerely,

BRYDON, SWEARENGEN & ENGLAND, P.C.
