DEFINITIONS

Key Telephone Service

A service using key telephones or key adapters and other equipment to provide call holding, multi-line pickup, signaling, intercommunication, conference, and other services.

(D)

Line Connection

Installation of facilities provided by the Company for a circuit from the central office to the standard network interface, inclusive.

Line Extension

The outside plant required in addition to existing facilities to render telephone service.

Link-Up Missouri Service Connection Program

A federal Lifeline Assistance program applicable to eligible residential customers and designed to promote subscribership to the telephone network among low income residential households.

Local Exchange

The area within the boundaries of exchange maps filed with and approved by the commission.

Local Measured Service

(See Measured Service.)

Local Message

A message not subject to toll charges.

Local Private Line

A non-switched line located wholly within an exchange, furnished for the customer's own use for communication or signaling between points on that line.

Local Service

Telephone service furnished between customer stations located within the same local service area.

LOCAL EXCHANGE SERVICE

Lifeline Service

Lifeline Service is a government benefit program established by the Federal Communications Commission (FCC) and Missouri Public Service Commission (Commission) and is available to qualifying low-income subscribers for certain residential telecommunications services. The terms and conditions of Lifeline service, including monthly discount amounts, are set forth in rules established by the FCC and Commission and available at the Company's office.

In addition, the terms and conditions of Lifeline service are available on the Company's website as follows: <http://stc.missouricom.com/lifeline-program/>.

Disabled Service

Disabled Service is a government benefit program established by the Missouri Public Service Commission (Commission) as part of the Missouri Universal Service Fund (MoUSF). It is a residential retail service that offers a qualifying disabled customer reduced charges for certain telecommunications services. The terms and conditions of disabled service, including monthly discount amounts, are set forth in rules established by the Commission and available at the Company's office.

In addition, the terms and conditions of Disabled Service are available on the Company's website as follows: <http://stc.missouricom.com/lifeline-program/>.
