RE: Case No. GR-2016-0075
In the Matter of Liberty Utilities (Midstates Natural Gas) Corp. d/b/a
Liberty Utilities' Purchased Gas Adjustment Tariff Filing

Dear Mr. Woodruff:

Liberty Utilities herewith submits for filing the 22nd Revised Sheet No. 44, which replaces the 21st Revised Sheet No. 44, in the above-referenced matter. In accordance with Liberty Utilities' Commission-approved PGA clause which allows for ten (10) business days' notice for PGA change filings, this tariff sheet bears an issue date of February 24, 2016, and a proposed effective date of March 10, 2016.

As fully explained in the *Verified Application for Approval of a Variance from a PGA Tariff Provision and Motion for Expedited Treatment* being filed concurrently herewith, Liberty Utilities is making this Optional PGA filing to simply correct a transcription error that resulted in a higher rate being previously filed and approved in this matter (on an interim basis subject to refund) for the Actual Cost Adjustment ("ACA") factor component and resulting Total PGA rate in its Southeast ("SEMO") PGA service area. The effect of these changes will decrease the firm PGA rate for the SEMO Area from the current \$0.53793 per Ccf to \$0.24647 per Ccf. This represents a \$0.29153 per Ccf decrease.

Thank you for bringing this filing to the attention of the appropriate Commission personnel.

Sincerely,

By: /s/ Christopher D. Krygier
