

GLOBAL WATS ONE,
INC.

PSC MO #1

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 16th
day of July, 1996.

In the Matter of an Application of MIDCOM)
Communications Inc. for Authority to Acquire)
the Missouri Customer Base of Global Wats)
One, Inc.)

CASE NO. TM-96-104

ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY

On April 9, 1996, the Missouri Public Service Commission (Commission) issued an Order Approving Acquisition of Assets, granting authority for MIDCOM Communications Inc. (MIDCOM) to acquire the Missouri customer base of Global Wats One, Inc. (Global) from Global's successor-in-interest, CAT Limited Interests (CAT). As indicated in the Commission's order, CAT obtained its interest in Global's assets from one of Global's creditors after Global defaulted on a loan owed to that creditor. The Commission's order also granted Global a period of 30 days in which to contact the Commission and show cause why its certificate and tariff should not be canceled, and directed the Commission's Records Department to send a copy of its order to the registered agent of Global, Prentice-Hall Legal and Financial Services.

On June 5, 1996, the Staff of the Commission (Staff) filed a memorandum containing its recommendation regarding Global's certificate of service authority and accompanying tariff. Staff states that on May 7, 1996, it received a letter from Prentice-Hall Legal and Financial Services

indicating that the registered agent was unable to make contact Global. In addition, Staff states that on June 3, 1996, it contacted the Missouri Secretary of State's office and was advised that Global had been administratively dissolved on May 31, 1996 for failure to file its annual report. Staff submits that since Global cannot be located by its registered agent and is no longer authorized by the Missouri Secretary of State to transact business in the State of Missouri, its certificate of service authority and accompanying tariff should be canceled. Staff thus recommends that the Commission issue an order canceling Global's certificate and accompanying tariff.

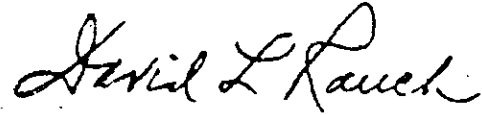

The Commission has reviewed this case file and Staff's recommendation, and finds that Global's certificate of service authority and accompanying tariff should be canceled. The Commission finds that it would be inappropriate to continue in full force and effect a certificate of service authority and tariff for a company which no longer has authority to transact business in the State of Missouri. The Commission further finds that both Staff and Global's registered agent have made reasonable albeit unsuccessful attempts to contact Global. The Commission is of the opinion that Global's failure to keep its registered agent or the Commission apprised of its whereabouts is an additional reason which warrants cancellation of Global's certificate of service authority and tariff. Thus, the Commission will cancel Global's certificate of service authority and accompanying tariff, as recommended by Staff.

IT IS THEREFORE ORDERED:

1. That the certificate of service authority previously granted to Global Wats One, Inc. in Case No. TA-94-332 is hereby canceled.
2. That the tariff of Global Wats One, Inc. is hereby canceled.

3. That this Order shall become effective on July 26, 1996.

TARIFF FORMAT

MO. PUBLIC SERVICE COMM.

A. **Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. **Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the MPSC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc., the most current sheet number on file with the Commission is not always the tariff in effect.

C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient of its next higher level:

- 2.
- 2.1
- 2.1.1
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

D. **Check Sheets** - When a tariff filing is made with the MPSC, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some sheets).

4.10 Four Free Hours Rebate Program

Global Family Network, Inc., a marketing corporation, offers a rebate program consisting of the cash equivalent of up to four free hours of GFN service per year, in increments of one free hour per quarter. End users "earn" cash rebates by using a concomitant amount of GFN interstate and intrastate service. To obtain a cash rebate in the amount of one free hour of service, end users submit a monthly phone bill to Global Family Network, Inc., reflecting the use of at least one hour of GFN interstate and intrastate service, together with a month-specific rebate coupon supplied in advance by Global Family Network, Inc. Cash rebates are calculated based on the value of one hour of GFN service at GWO's night/weekend rate, or prorated where the bill reflects less than one hour of service. The marketing company bears the cost of all rebates.

4.11 TeleFriend Rebate Program

TeleFriend, Inc. is a marketing entity with exclusive rights to market the GFN product via network marketing. TeleFriend offers a rebate program which is identical to that described in Paragraph 4.10, except that end users may qualify for up to five free hours of GFN service, in increments of 1.25 hours per quarter. End users obtain this rebate by submitting coupons and their monthly phone bills to Global Family Network, Inc., as described above.
