**3.0 - SERVICE DESCRIPTION, (CONT'D)**

**3.4 High Capacity Transmission Services (N)**

High Capacity Transmission Services provides a point-to-point, point-to-multipoint and multipoint-to-multipoint defined connection between one or more customer-defined locations and/or the Company. The service may utilize Ethernet interfaces, optical fiber and/or coaxial cable facilities, is scalable from 1 Mbps to 100 Gbps and will be designed and provisioned on an Individual Case Basis (ICB) pursuant to contracts with Customers. All requesting Customers shall have non-discriminatory access to ICB Services and facilities at nondiscriminatory rates, terms and conditions.

**3.5 Other Services (T)**

Other Services may be provided by the Company on an Individual Case Basis (“ICB”)

**3.6 Customer Specific Contracts (T)**

The Company may provide any of the Services offered under this Tariff, or combinations of Services, to Customers on a contractual basis. The terms and conditions of each contract offering are subject to the agreement of both the Customer and the Company. Such contract offerings will be made available to similarly situated Customers in substantially similar circumstances. Rates in other sections of this Tariff do not apply to Customers who agree to contract arrangements, with respect to Services within the scope of the contract.

Contracts in this section are available to any other similarly situated Customer that places an order for such contract service within 90 days of the effective date of such contract service.
