SECTION 1.0 - DEFINITIONS

NOV 2 1998

For the purpose of this tariff, the following definitions will apply:

MISSOURI PUBLIC SERVICE COMMISSION

Advance Payment: Part or all of a payment required before the start of service.

Automatic Number Identification ("ANI"): Allows the automatic transmission of a caller's billing account telephone number to a local exchange company, interexchange carrier or a third party Customer. The primary purpose of ANI is to allow for billing of toll calls.

Collocation: An arrangement whereby the Company's switching equipment is located in a local exchange Company's central office.

Company or Carrier: Refers to LDD, Inc., issuer of this tariff.

Customer or Customer: The person, firm or corporation which orders service and is responsible for the payment of charges and compliance with the Company's regulations.

Deposit: Refers to a cash or equivalent of cash security held as a guarantee for payment of the charges.

DID Trunk: A form of local switched access that provides the ability for an outside party to call an internal extension directly without the intervention of the Company operator.

Direct Inward Dial (or "DID"): A service attribute that routes incoming calls directly to stations, by-passing a central answering point.

Direct Outward Dial (or "DOD"): A service attribute that allows individual station users to access and dial outside numbers directly.

End Office: With respect to each NPA-NXX code prefix assigned to the Company, the location of the Company's "end office" for purposes of this tariff shall be the point of interconnection associated with that NPA-NXX code in the Local Exchange Routing Guide ("LERG"), issued by Bellcore.

Exchange Telephone Company or Telephone Company: Denotes any individual, partnership, association, joint-stock company, trust, or corporation authorized by the appropriate regulatory bodies to engage in providing public switched communication service throughout an exchange area, and between exchange areas within the LATA.

SECTION 1.0 - DEFINITIONS, (CONT'D.)

Hearing Impaired: Those persons with communication impairments, including those hearing impaired, deaf, deaf/blind, and speech impaired persons who have an impairment that prevents them from communicating over the telephone without the aid of a telecommunications device for the deaf. **SERVICE COMM**

Hunting: Routes a call to an idle station line in a prearranged group when the called station line is busy.

IXC or Interexchange Carrier: A long distance telecommunications services provider.

LATA: A Local Access and Transport Area established pursuant to the Modification of Final Judgment entered by the United States District Court for the District of Columbia in Civil Action No. 82-0192; or any other geographic area designated as a LATA in the National Exchange Carrier Association, Inc. Tariff F.C.C. No. 4.

LDD: LDD, Inc., the issuer of this tariff.

Monthly Recurring Charges: The monthly charges to the Customer for services, facilities and equipment, which continue for the agreed upon duration of the service.

Multiline: An individual flat rate exchange service furnished by means of two or more exchange lines terminating in apparatus which facilities pick-up by associated stations. Multiline rates do not apply where the PBX trunk rate applies or to Centrex Service.

Nonrecurring Charge ("NRC"): The initial charge, usually assessed on a one-time basis, to initiate and establish service.

NPA: Numbering plan area or area code.

PBX: Private Branch Exchange

Point of Presence ("POP"): Point of Presence

Recurring Charges: The monthly charges to the Customer for services, facilities and equipment which continue for the agreed upon duration of the service.

SWBT: Refers to Southwestern Bell Telephone Company.

SECTION 1.0 - DEFINITIONS, (CONT'D.)

Service Commencement Date: The first day following the date on which the Company notifies the Customer that the requested service or facility is available for use, unless extended by the Customer's refusal to accept service which does not conform to standards set forth in the Service Order or this tariff, in which case the Service Commencement Date is the date of the Customer's acceptance. The Company and Customer may mutually agree on a substitute Service Commencement Date.

Service Order: The written request for Network Services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this tariff, but the duration of the service is calculated from the Service Commencement Date.

Shared: A facility or equipment system or subsystem that can be used simultaneously by several Customers.

Toll Free: A term used to describe the service formerly known as 800 Service. Toll Free Service provides incoming service utilizing 800, 888 and other 8XX numbers.

Two Way: A service attribute that includes outward dial capabilities for outbound calls and can also be used to carry inbound calls to a central point for further processing.

Usage Based Charges: Charges for minutes or messages traversing over local exchange facilities.

User or End User: A Customer, Joint User, or any other person authorized by a Customer to use service provided under this tariff.

2.4.3 Disconnection or Suspension of Telephone Service

Your telephone service is subject to disconnection or suspension for any of the reasons listed below. If service is disconnected, a new telephone number will be assigned and you will be required to pay installation charges again. If service is suspended, your telephone number is reserved for ten (10) days and you will not be charged installation charges again.

- .1 Nonpayment of an undisputed delinquent account. Your service will not be discontinued for nonpayment of a delinquent charge until five (5) days after a charge has become delinquent. Additionally, LDD will make reasonable efforts to contact you at least 24 hours in advance prior to disconnecting your service.
- .2 Unauthorized use of telephone utility equipment in a manner which creates an unsafe condition or creates the possibility of damage or destruction to such equipment.
- .3 Refusal after reasonable notice to permit inspection, maintenance, or replacement of telephone utility equipment.
- .4 Misrepresentation of the identity in obtaining telephone utility service.

2.4.4 Procedures for Handling Inquiries and Complaints

Telephone inquiries may be directed to LDD at 800-550-9363. Written inquiries may be directed to LDD, Inc. 24 South Minnesota, Cape Girardeau, Missouri 63702.

- .4 When a residential Customer is unable to pay a charge in full when due, the Company shall permit the Customer to enter into an initial settlement agreement under which the charge may be paid as mutually agreed to both the Customer and the Company. A copy of the settlement agreement shall be delivered or mailed to the Customer upon request by the Customer.

2.7.4 Discontinuance of Service for Cause

The Company may discontinue service for the following reasons provided in this Section. Customers will be provided five (5) days written notice prior to discontinuance unless otherwise indicated. The Company will make reasonable efforts to contact the Customer at least twenty-four (24) hours in advance prior to disconnecting telephone service.

Upon the Company's discontinuance of service to the Customer, the Company, in addition to all other remedies that may be available to the Company at law or in equity or under any other provision of this tariff, may declare all future monthly and other charges which would have been payable by the Customer during the remainder of the term for which such services would have otherwise been provided to the Customer to be immediately due and payable.

- .1 Upon nonpayment of any amounts owing to the Company, the Company may discontinue or suspend service without incurring any liability. No basic residential service shall be disconnected for nonpayment until at least 21 days from the date of the bill and only following proper written notification.
- .2 Upon violation of any of the other material terms or conditions for furnishing service the Company may, discontinue or suspend service without incurring any liability if such violation continues during that period.
- .3 Upon condemnation of any material portion of the facilities used by the Company to provide service to a Customer or if a casualty renders all or any material portion of such facilities inoperable beyond feasible repair, the Company, by notice to the Customer, may discontinue or suspend service without incurring any liability.
- .4 Upon any governmental prohibition or governmental required alteration of the services to be provided or any violation of an applicable law or regulation, the Company may immediately discontinue service without incurring any liability.

2.7.4 Discontinuance of Service for Cause, (Cont'd.)

- .5 Without notice in the event of fraudulent use of the Company's network. The Customer will be liable for all related costs. The Customer will also be responsible for payment of any reconnection charges. The Company will provide written notice of cause within 24 hours.
- .6 Without notice in the event of Customer use of equipment or services in such a manner as to adversely affect the Company's service to others.
- .7 Without notice in the event of tampering with the equipment or services furnished by the Company.
- .8 The Customer is responsible for providing adequate access lines to enable the Company to terminate all toll-free service calls to the Customer's telephone equipment. Should the Customer have insufficient access lines on which to terminate toll free service calls, the Company reserves the right to request the Customer to add additional lines for call terminations. If, after ninety (90) days, the Customer has not made the requested change, the Company, without incurring any liability, reserves the right to terminate the Customer's Toll Free Service, with thirty (30) days written notice.

2.7.5 Discontinuance of Residential Service

- .1 Residential Service may be discontinued for any of the following reasons:
 - A) nonpayment of an undisputed delinquent charge;
 - B) unauthorized use of telephone utility equipment in a manner which creates an unsafe condition or creates the possibility of damage or destruction to such equipment;
 - C) failure to substantially comply with terms of a settlement agreement;
 - D) refusal after reasonable notice to permit inspection, maintenance or replacement of telephone utility equipment;
 - E) material misrepresentation of identity in obtaining telephone utility service;
 - F) as approved by federal law.

2.15 Directory Listings

- 2.15.1** The Company does not publish a directory of Customer listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of the dominant local exchange carrier.
- 2.15.2** The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying a Customer's telephone number and as an aid to the use of telephone service.
- 2.15.3** The listings of Customers, either without charge or at the rate specified within this tariff for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by Customers or prospective Customers, the Company will not be a party to controversies between Customers as a result of the publication of such listings in the directories.
- 2.15.4** Listings must conform to the Company's specifications with respect to the directories. The Company reserves the right to reject listings when, in its sole judgement, such listings would violate the integrity of company records and the directories, confuse individuals using the directory, or when the Customer cannot provide satisfactory evidence that he is authorized to do business as requested.
- 2.15.5** The Company reserves the right to limit the length of any listing to one line in the directory by use of abbreviations when, in its sole judgement, the clearness of the listing and the identification of the Customer is not impaired.
- 2.15.6** Generally, the listed address is the location of the Customer's place of business or residence.
- 2.15.7** Generally, a business listing consists of a name or dual name, a designation descriptive of the Customer's business if not self-explanatory, the address, and the business telephone number. The main listing is ordinarily the name of the individual, firm or corporation which contracts for the service or the name under which a business is regularly conducted.
- 2.15.8** Liability of the Company due to directory errors and omissions is as specified in Section 2.1 of this tariff.

SECTION 5.0 –NETWORK SERVICES DESCRIPTIONS (CONT'D)**5.5 Basic Local Exchange Service**

Basic Local Exchange Service provides the Customer with a single, analog, voice-grade telephonic communications channel which can be used to place or receive one call at a time. Basic Local Exchange Service lines are provided for the connection of Customer-provided wiring, telephones, facsimile machines or other station equipment. An optional per line Hunting feature is available for multi-line Customers which routes a call to the next idle line in a prearranged group when the called line is busy.

Local exchange service lines and trunks are provided on a single party (individual) basis only. No multi-party lines are provided. Service is available on a flat rate or message rate basis depending on the service plan selected by the Customer. Not all service plans will be available in all areas. Recurring charges are billed monthly in advance. Usage charges, if applicable are billed in arrears.

Usage charges may apply for calls placed from the Customer's line. No usage charges will apply to calls received by the Customer. Non-recurring charges for installation or rearrangement of service are billed on the next month's bill immediately following work performed by the Company. Rates and charges include Touchtone service for each line.

5.5.1 Rate Groups

Exchange rates are divided by Rate Groups. The number of exchange access arrangements included within the primary service area of each exchange or zone determines the Rate Group and rates for each exchange or zone.

5.7 Extended Area Service

MISSOURI PUBLIC SERVICE COMMISSION

Extended Area Service is an arrangement whereby Customers in one exchange or zone can call Customers in contiguous exchanges. There is an extended area service additive that applies, per exchange or zone, in addition to the applicable local exchange rates.

Extended Area Service Calling Scopes are defined in SWBT Tariff P.S.C. Mo.-No.-24. The Company will apply the same additives to Residential and Business Services as those defined in the SWBT tariff mentioned above.

5.8 Optional Metropolitan Calling Area (MCA) Service

Metropolitan Calling Area (MCA) service is available in three distinct areas in Missouri: the St. Louis MCA, the Kansas City MCA and the Springfield MCA, as defined in SWBT Tariff P.S.C. Mo.-No.-24.

This service is an optional service which provides the Customer with an optional local calling which includes the respective Metropolitan Exchange and certain Customers in other exchanges where MCA service is also available.

5.8.1 Application of Rates and Charges

- .1 The MCA monthly rates apply on a per line basis, except for Centrex type services which are billed on a PBX trunk equivalent basis.
- .2 Monthly rates are billed on month in advance.
- .3 Rates apply in addition to all other rates and charges paid by the Customer for other services of the Company.
- .4 The Measured 1-Party MCA option is only available to Customer who also subscribe to Measured 1-Party basic local exchange service.
- .5 Service and Equipment Charges are applicable on a per line basis when a Customer adds or deletes Optional MCA Service.
