RE: CenturyTel Fiber Company II LLC d/b/a LightCore, a CenturyLink company Request for Approval of Name Change on Tariff

Dear Ms. Dale:

The purpose of this filing is to change the name of the issuing entity from CenturyTel Fiber Company II LLC d/b/a LightCore, a CenturyLink company to CenturyLink Communications, LLC ("CLC") for its P.S.C. MO No. 1. The name change will be seamless and transparent to customers. CLC will be providing the same telecommunications services, at the same rates, as LightCore is currently. CLC customers will effectively experience no change as a result of the name change. Also, attached is a copy of the Customer Notice that went out in the March or April customer bills.

Pursuant to rule 4 CSR 240-2.062(1)(D), this filing includes an adoption notice and a revised tariff title sheet reflecting the new name. CenturyLink has also reviewed its contacts in the electronic filing and information system (EFIS) and has updated it accordingly.

CLC respectfully requests that the proposed changes outlined above become effective May 5, 2014.

If you have any questions regarding this filing, you may call me at (303) 992-5837.

Respectfully submitted,

A handwritten signature in black ink that reads "Lawanna German".

Bill Message

Beginning with your March or April invoice, you'll notice that the name of the CenturyLink company providing your long distance or CLEC services changes to CenturyLink Communications, LLC. This is the result of an internal reorganization only, and no action is required of you. There will be no change to your current services, rates, terms and conditions. If you have any questions, please contact Customer Service at the telephone number printed on your bill. You may also contact your account representative or visit www.centurylink.com/namechange. Thank you for choosing CenturyLink for your communication needs—we value you as our customer.
