RE: Tariff Update – P.S.C. MO No. 1 – FairPoint Communications Missouri, Inc.

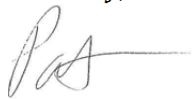

Dear Mr. Reed:

Enclosed for the Commission's approval, FairPoint Communications Missouri, Inc. d/b/a FairPoint Communications, hereby submits the following tariff pages with changes to be effective November 1, 2013:

Section 1, Second Revised Sheet 2
Section 4, Third Revised Sheet 17
Section 4, Third Revised Sheet 20
Section 10, Second Revised Sheet 17
Section 10, Second Revised Sheet 34

The purpose of this filing is to move the Essentials Emergency Service product to the correct section of the tariff. In the past, this service has been treated as a phone line so FUSF, SLC, etc has been charged on the account. With this filing, FairPoint will now be treating this product as a service and will no longer be charging line fees. The cost of the product has gone up and the product description language has been standardized in all the states where we provide this service.

Sincerely,

Patrick L. Morse
