1.4 TWO-POINT SERVICE - (Continued)

1.4.6 Rates - (Continued)

B. Service Charges - (Continued)

3. Operator Station-to-Station - For Operator Station-to-Station messages, a charge of \$1.47 per message applies.\* (CR)

4. Person-to-Person - For Person-to-Person messages a charge of \$2.95 per message applies.\* (CR)

C. Timing of Messages

1. On Dial Station-to-Station, Dial Calling Card Station-to-Station, Customer Dialed Calling Card Station or Operator Station-to-Station messages, chargeable time begins when connection is established between the calling service point and the called service point.

2. On Person-to-Person messages, chargeable time begins when connection is established between the calling person and the particular person or service point specified or an agreed upon alternate.

3. Chargeable time ends when the calling service point "hangs up" thereby releasing the network connection. If the called service point "hangs up" but the calling service point does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.

4. Chargeable time does not include time lost because of faults or defects in service.

5. When exchange telephone service used for Message Telecommunications Service is directly connected (i.e., not connected through a Multiline Terminating System) at a customer's premises to a communication's system, chargeable time for all classes of messages begins when a message from the telecommunications network terminates in or passes through the first multiline terminating system or terminal equipment on that communications system. It is the customer's responsibility to furnish appropriate answer supervision to the point of connection with the exchange telephone service so that chargeable time may begin.

MESSAGE TELECOMMUNICATIONS SERVICE TARIFF

Section 1  
9th Revised Sheet 21.1  
Replacing 8th Revised Sheet 21.1

MESSAGE TELECOMMUNICATIONS SERVICE

1.4 TWO-POINT SERVICE - (Continued)

1.4.6 Rates - (Continued)

B. Service Charges - (Continued)

7. Non-Subscriber Service Charge - A service charge is applicable to Dial Station, Operator Station, Person-to-Person or Real Time Rated Calls billed to residential lines which are presubscribed to an interexchange carrier other than AT&T, or not presubscribed to an interexchange carrier (for rates see Sections 1.4.6,F., 1.4.6,G., and 1.4.6,H., following). This charge is in addition to the initial period and additional period charges applicable to intrastate interLATA calls in Missouri, and is also in addition to any applicable service charges for operator handled calls as specified in Sections 1.4.6,B.,3. and 4., preceding.

The Non-Subscriber Service Charge does not apply to calling card calls, intraLATA calls, conference calls, calls to AT&T Directory Assistance or to 800 or 900 telephone numbers, calls using Telecommunications Relay Service, customers with Disabilities who are Certificated as described in Section 1.4.9, calls originated from cellular phones, or calls billed to residential lines which have discontinued presubscription to AT&T but for whom an active billing record still exists in AT&T's billing system, or to collect calls accessing the AT&T network via 1-800-CALLATT.

(RT)

AT&T will credit any Non-Subscriber Service Charges reported by newly presubscribed AT&T customers during the period between presubscription and administrative processing of the new customer. AT&T will also credit any Non-Subscriber Service Charges reported by a customer during an F.C.C. reportable incident of service outage by another interexchange carrier. To receive either of these credits, customers must contact AT&T through an 800 number designated for billing inquiries. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at AT&T's discretion.

The Non-Subscriber Service Charge applies in all local exchange areas where billing is available and will be implemented in all remaining local exchange areas as billing becomes available.

7. Non-Subscriber Service Charge - A service charge is applicable to Dial Station, Operator Station, Person-to-Person or Real Time Rated Calls billed to residential lines which are presubscribed to an interexchange carrier other than AT&T, or not presubscribed to an interexchange carrier (for rates see Sections 1.4.6,F., 1.4.6,G., and 1.4.6,H., following). This charge is in addition to the initial period and additional period charges applicable to intrastate interLATA calls in Missouri, and is also in addition to any applicable service charges for operator handled calls as specified in Sections 1.4.6,B.,3. and 4., preceding.

The Non-Subscriber Service Charge does not apply to calling card calls, intraLATA calls, conference calls, calls to AT&T Directory Assistance or to 800 or 900 telephone numbers, calls using Telecommunications Relay Service, customers with Disabilities who are Certificated as described in Section 1.4.9, calls originated from cellular phones, or calls billed to residential lines which have discontinued presubscription to AT&T but for whom an active billing record still exists in AT&T's billing system, calls made via AT&T Prison Collect With Controls Service, or to collect calls accessing the AT&T network via 1-800-CALLATT.

AT&T will credit any Non-Subscriber Service Charges reported by newly presubscribed AT&T customers during the period between presubscription and administrative processing of the new customer. AT&T will also credit any Non-Subscriber Service Charges reported by a customer during an F.C.C. reportable incident of service outage by another interexchange carrier. To receive either of these credits, customers must contact AT&T through an 800 number designated for billing inquiries. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at AT&T's discretion.

Replacing 6th Revised Sheet 21.1

MESSAGE TELECOMMUNICATIONS SERVICE

Missouri Public  
Service Commission

1.4 TWO-POINT SERVICE - (Continued)

1.4.6 Rates - (Continued)

REC'D AUG 28 1998

B. Service Charges - (Continued)

7. Non-Subscriber Service Charge - A service charge is applicable to Dial Station, Operator Station, Person-to-Person or Real Time Rated Calls billed to residential lines which are presubscribed to an interexchange carrier other than AT&T, or not presubscribed to an interexchange carrier (for rates see Sections 1.4.6,F., 1.4.6,G., and 1.4.6,H., following). This charge is in addition to the initial period and additional period charges applicable to intrastate interLATA calls in Missouri, and is also in addition to any applicable service charges for operator handled calls as specified in Sections 1.4.6,B.,3. and 4., preceding.

The Non-Subscriber Service Charge does not apply to calling card calls, intraLATA calls, conference calls, calls to AT&T Directory Assistance or to 800 or 900 telephone numbers, calls using Telecommunications Relay Service, customers with Disabilities who are Certificated as described in Section 1.4.9, calls originated from cellular phones, or calls billed to residential lines which have discontinued presubscription to AT&T but for whom an active billing record still exists in AT&T's billing system, calls made via AT&T Prison Collect With Controls Service, or to collect calls accessing the AT&T network via 1-800-CALLATT.

AT&T will credit any Non-Subscriber Service Charges reported by newly presubscribed AT&T customers during the period between presubscription and administrative processing of the new customer. AT&T will also credit any Non-Subscriber Service Charges reported by a customer during an F.C.C. reportable incident of service outage by another interexchange carrier. To receive either of these credits, customers must contact AT&T through an 800 number designated for billing inquiries. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at AT&T's discretion.

The Non-Subscriber Service Charge applies in all local exchange areas where billing is available and will be implemented in all remaining local exchange areas as billing becomes available.

<u>Rate Per Call</u>	<u>Service Charge</u>
Dial Station Calls	\$2.50(CR)
Operator Station, Person-to-Person and Real Time Rated Calls	\$2.50(CR)

NON-SUBSCRIBER SERVICE CHARGE

- 7. Non-Subscriber Service Charge - A service charge is applicable (CT)  
to Dial Station, Operator Station, Person-to-Person or Real  
Time Rated Calls billed to residential lines which are  
presubscribed to an interexchange carrier other than AT&T, or  
not presubscribed to an interexchange carrier (for rates see  
Sections 1.4.6,F., 1.4.6,G., and 1.4.6,H., following). This (CT)  
charge is in addition to the initial period and additional  
period charges applicable to intrastate interLATA calls in  
Missouri, and is also in addition to any applicable service  
charges for operator handled calls as specified in Sections  
1.4.6,B.,3. and 4., preceding. (CT)

The Non-Subscriber Service Charge does not apply to calling card calls, intraLATA calls, conference calls, calls to AT&T Directory Assistance or to 800 or 900 telephone numbers, calls using Telecommunications Relay Service, customers with Disabilities who are Certificated as described in Section 1.4.9, calls originated from cellular phones, or calls billed to residential lines which have discontinued presubscription to AT&T but for whom an active billing record still exists in AT&T's billing system, calls made via AT&T Prison Collect With Controls Service, or to collect calls accessing the AT&T network via 1-800-CALLATT.

AT&T will credit any Non-Subscriber Service Charges reported by newly presubscribed AT&T customers during the period between presubscription and administrative processing of the new customer. AT&T will also credit any Non-Subscriber Service Charges reported by a customer during an F.C.C. reportable incident of service outage by another interexchange carrier. To receive either of these credits, customers must contact AT&T through an 800 number designated for billing inquiries. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at AT&T's discretion.

The Non-Subscriber Service Charge applies in all local exchange areas where billing is available and will be implemented in all remaining local exchange areas as billing becomes available.

A Public Payphone Surcharge applies to all completed intrastate calls placed from a public or semi-public payphone which are not paid on a sent paid basis. Specifically, the public payphone surcharge applies to: (1) calling card service; (2) collect calls; (3) calls billed to a third number; (4) calls to Directory Assistance; (5) calls completed via AT&T DIRECTORY LINK Service; (6) AT&T Prepaid Card Service calls (for Unit Option Cards purchased on or after January 1, 1998); (7) AT&T "00 INFO"; and (8) AT&T Calling Card Calls which are included in the AT&T One Rate Calling Card Plan.

The Public Payphone Surcharge is applied in addition to any other applicable Service Charges or Surcharges.

The Public Payphone Surcharge does not apply to:

- Calls paid for by inserting coins at the public/semi-public payphone.
- Calls placed from stations other than public/semi-public payphones.
- Calls completed using AT&T Dollar Option Prepaid Cards.
- Telecommunications Relay Service calls.

Discounts offered by AT&T discount plans and promotions will not apply to the Public Payphone Surcharge unless this specific charge is expressly covered in the AT&T discount plan or promotion.

<u>Rate</u>	<u>Public Payphone Surcharge</u>	
- per call (except prepaid card)	\$0.47	(CT)
- per call (AT&T Prepaid Card Service-Unit Option Cards)	4 Units	(CR)

MISSOURI  
Public Service Commission

1. On Dial Station-to-Station, Dial Calling Card Station-to-Station, Customer Dialed Calling Card Station or Operator Dialed Calling Card Station calls billed to Consumer Calling Cards, or Operator Station-to-Station messages, chargeable time begins when connection is established between the calling service point and the called service point. (AT)
2. On Person-to-Person messages, chargeable time begins when connection is established between the calling person and the particular person or service point specified or an agreed upon alternate.
3. Chargeable time ends when the calling service point "hangs up" thereby releasing the network connection. If the called service point "hangs up" but the calling service point does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.
4. Chargeable time does not include time lost because of faults or defects in service.
5. When exchange telephone service used for Message Telecommunications Service is directly connected (i.e., connected through a Multiline Terminating System) at a customer's premises to a communication's system, chargeable time for all classes of messages begins when a message from the telecommunications network terminates in or passes through the first multiline terminating system or terminal equipment on that communications system. It is the customer's responsibility to furnish appropriate answer supervision to the point of connection with the exchange telephone service so that chargeable time may begin.

E. Timing of Messages

1. On Dial Station-to-Station, Dial Calling Card Station-to-Station, Customer Dialed Calling Card Station or Operator Dialed Calling Card Station calls billed to Consumer Calling Cards, or Operator Station-to-Station messages, chargeable time begins when connection is established between the calling service point and the called service point.
2. On Person-to-Person messages, chargeable time begins when connection is established between the calling person and the particular person or service point specified or an agreed upon alternate.
3. Chargeable time ends when the calling service point "hangs up" thereby releasing the network connection. If the called service point "hangs up" but the calling service point does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.
